NOTE: As of January 1, 2017, the State no longer requires vehicle rental companies to charge a mandatory 5% surcharge on rental cars. The mandatory surcharge has been replaced with a voluntary Vehicle Licensing Fee (VLF) which was passed by the legislature in June 2016. Each contractor has the right to set their own VLF rate and may change it in accordance with the terms established in the law. The law can be viewed at [this link](#).

The difference between the 5% surcharge and the VLF is that the VLF is a flat rate fee that is charged daily to each rented vehicle, where the 5% surcharge was applied daily but the amount fluctuated depending on the rental price of the vehicle. Also, the VLF fee is not prorated.

To assist our users for budgeting and planning purposes, the State requires the contractors providing services under the rental vehicle contracts to report their VLF fee amount to this office. We will post the most current fees and the effective date of those fees on this page. Should a user of this contract notice a VLF that differs from what is posted here, either more or less, please contact the procurement officer immediately upon discovery.

VLF Fees as of March 1, 2017

Enterprise Leasing Company \$2.68 per day per vehicle.
Hertz Equipment Rental Corp. No fee charged. Hertz as exempted State contract users from the VLF requirement.
U-Save Best Rent-A-Car \$3.00 per day per vehicle.

SECTION 11-35-310. Definitions.

(18) "Governmental Body" means a state government department, commission, council, board, bureau, committee, institution, college, university, technical school, agency, Government Corporation, or other establishment or official of the executive or judicial branch. Governmental body excludes the General Assembly or its respective branches or its committees, Legislative Council, the Office of Legislative Printing, Information and Technology Systems, and all local political subdivisions such as counties, municipalities, school districts, or public service or special purpose districts or any entity created by act of the General Assembly for the purpose of erecting monuments or memorials or commissioning art that is being procured exclusively by private funds.

PURCHASE ORDERS (MODIFIED)

Contractor shall not perform any work prior to the receipt of a purchase order from the using governmental unit. The using governmental unit shall order any services to be furnished under this contract by issuing a purchase order. **Purchase order must provide an approval verification number.** Purchase orders may be used to elect any options available under this contract, e.g., quantity, item, delivery date, payment method, but are subject to all terms and conditions of this contract.

Purchase orders may be electronic. No particular form is required. **An order placed pursuant to the purchasing card provision qualifies as a purchase order.**

PURCHASING CARD (MODIFIED)

Contractor agrees to accept payment by the South Carolina Purchasing Card for no extra charge. The Purchasing Card is issued by Visa. The purchasing card allows state agencies to make authorized purchases from a vendor without the requirement to issue a purchase order.

The state does not dictate purchasing card policies to the agencies or political subdivisions. The contractor may be required to establish Direct Billing programs with an agency or political subdivision based on the policies of each agency or political subdivision.

INSURANCE (MODIFIED)

The cost of insurance is to be included in the rental rates offered. Charging separately for insurance or not providing same will likely be considered a material breach. The amount carried by the contractor is to be sufficient to cover its damages. The State will not pay additional damages regardless of which vehicle operator is at fault.

The required insurance rates are identical to the amounts the state carries for state owned vehicles. The same amounts are required for any vehicles rented by the state or its political subdivisions. Contractor must provide automobile liability insurance as follows.

- Combined Single Limits of \$600,000 minimum,
- Combined Single Limits of \$1,000,000 minimum for vehicle rentals to travel out of state,
- Statutory limits for uninsured coverage (\$25,000/person, \$50,000/accident, bodily injury and \$25,000/per accident property damage).

Optional coverage

- Comprehensive/Collision Coverage at discretion of Contractor
- Underinsured at discretion of Contractor

NOTE: Rental vehicles are not owned by and there is no insurable interest by any governmental agency; physical damage limits are at the discretion of the rental car company. Using governmental unit will only pay \$200.00 deductible, if required.

NOTE: The State will not pay deductible for glass claims.

AMENDED PORTION OF SECTION 56-31-50

SECTION 1. Section 56-31-50 of the 1976 Code is amended to read:

(A) As used in this section:

(1) "Motor vehicle rental company" means an individual or business entity whose business activity is renting motor vehicles to consumers under rental agreements for periods of ninety days or less.

(2) "Vehicle license fee" means a charge that may be separately stated and charged on the rental contract in a vehicle rental transaction originating in this State to recover the motor vehicle rental company's costs incurred for:

- (a) Licensing, titling, registering, plating, and inspecting of its rental vehicles; and
- (b) Taxes paid in connection with registering its rental vehicles.

(B) Rental companies engaged in the business of renting vehicles for periods of ninety days or less may charge, at the time the vehicle or rental vehicle is rented in South Carolina, separately stated fees which may include, but must not be limited to, vehicle license fees, airport access fees, airport concession fees, and all applicable taxes. For purposes of this section, a vehicle or rental vehicle is rented in South Carolina if it is picked up by the renter in South Carolina.

(C) If a motor vehicle rental company includes a vehicle license fee for a rental transaction disclosed on the rental agreement, the amount of the charge must represent the good faith estimate by the motor vehicle rental company of its daily charge calculated to recover its actual total annual recoverable costs, pursuant to subsection (A)(2), on its rental motor vehicle fleet for the corresponding calendar year.

(D)

(1) If the total amount of the vehicle license fees collected by a motor vehicle rental company pursuant to this section in any calendar year exceeds the actual costs of the car rental company, as allowed under subsection (A)(2), for that calendar year, the car rental company shall:

- (a) Retain the excess amount; and
- (b) Adjust the estimated average per vehicle charge for the following calendar year by a corresponding amount.

(2) Nothing in this section may prevent a motor vehicle rental company from making adjustments to a vehicle license fee per vehicle charge during the calendar year to reflect interim developments affecting the motor vehicle rental company's prior estimated per vehicle fee for that calendar year.

(E)

(1) If a motor vehicle rental company charges a vehicle license fee, the amount of the fee must be:

- (a) disclosed at the time of reservation and as part of any estimated pricing provided to the renter; and
- (b) shown as a separately itemized charge on the rental agreement.

(2) The vehicle license fee must be described in the terms and conditions of the rental agreement as the estimated average per day portion of the motor vehicle company's costs incurred for:

- (a) licensing, titling, registering, plating, and inspecting its rental vehicles; and
- (b) taxes paid in connection with registering its rental vehicles.

(F) The vehicle license fee authorized by this section is subject to state and local sales and use tax in the manner and to the same extent as the fee charged for the lease or rental of the rental vehicle."

REGISTERING YOUR AGENCY TO USE THE RENTAL CONTRACTS

Before using the Enterprise or Hertz contracts, you must register your agency for direct billing with each one separately. The following is provided to help make that process easier.

Hertz

To establish direct billing with Hertz, complete this form **(SCOTT INSERT SCBILLING APP FILE TO THIS FORM AND DELETE THIS TEXT)** and email it to Nadika.perera@hertz.com. Someone with Hertz will follow up with you to ensure they have all of the information they need.

Enterprise

To establish direct billing with Enterprise, use the link below (to a Word document) and complete all of the information. Once complete, email the form to the address appearing at the bottom of the form.
