NOTICE OF OVERHAUL OF STATE CLAUSES & FORMS

PUBLIC COMMENT PERIOD

The Information Technology Management
Office (ITMO) & the State Procurement
Office (SPO) have made very substantial
modifications to several basic forms & to all
the standard clauses & provisions used in
their solicitation documents.

A document that shows & explains these
changes is available for download at
www.ogs.state.sc.us/DDP/ under the heading
Compendium. Comments & suggestions
should be emailed to
compendium@mmo.state.sc.us no later
than February 5, 2006. Unless comments
received reflect the necessity of a delay
(rather than just revisions), ITMO & SPO
will begin using the new forms & clauses in
all solicitations issued after February 9,
2006.

A free two-day statewide training session
will be presented in late February for all
South Carolina public procurement personnel.
A separate session will be scheduled
for vendors. Vendors wishing to participate
in such a session should email a request to
compendium@mmo.state.sc.us.
