DESIGN SERVICES FOR PARKING GARAGE IN SPARTANBURG, SC

STATEMENT OF QUALIFICATIONS NO. 0708-10-23-03

Notice is hereby given that the City of Spartanburg is requesting qualifications from architectural and/or engineering consulting firms for design services needed for a parking garage that the City intends to construct. The garage is expected to be constructed near the intersection of Liberty & East Saint John Street. Full details & requirements for the Statement of Qualifications are contained in the Request for Qualifications that will be available on October 2, 2007.

Interested parties should contact the Procurement Office at (864) 596-2049 to request a complete package. Details of the RFQ can also be obtained through the City's procurement web page located at www.cityofspartanburg.org. Follow the link for Invitation for Bids

The City of Spartanburg will act affirmatively to ensure that all disadvantaged & women's business enterprises will be afforded full opportunity to participate in this request & that it will not discriminate on the basis of gender, race, color, or national origin in consideration of a contract award.

The City of Spartanburg reserves the right to reject any or all Statement of Qualifications & waive any informality in the qualifications process. All Statement of Qualifications may be held by the City of Spartanburg for a period not to exceed sixty (60) days from the date of the opening of the Statements so that the City may fully investigate the qualifications of prospective parties, prior to awarding of the Contract. The vendor that is selected will be required to obtain a City of Spartanburg Business License.

Questions regarding procurement procedures should be directed to Carl Wright, Procurement & Property Manager at cwright@cityofspartanburg.org or (864) 596-2790. Questions regarding qualifications should be

directed to Ed Memmott, Assistant City Manager, at (864) 596-3560 or ememcott@cityofspartanburg.org.

Statements of Qualifications must be submitted to Carl F. Wright, Procurement & Property Manager, on or before Tuesday, October 23, 2007, 3:00 pm, City Hall, 145 West Broad Street at which time they will be publicly opened in the Training Room.

RFQ can be hand delivered or mailed to the following address:

City of Spartanburg
Attn.: Procurement & Property Division

400 Long Point Road, Mount Pleasant, SC.

Bids Will Be Received at the Meeting Facility, Building 420, Wando Welch Terminal, 400 Long Point Road, Mount Pleasant, SC, until 3:00 pm, Tuesday, October 30, 2007, at which time there will be a public opening of bids at the Meeting Facility.

The Project Includes clearing & grubbing, excavation, wick drain installation, surcharge embankment fill placement & removal, box culvert installation, utility installation, & roadway construction. The initial stage of the project will involve excavation of approximately 224,000 CY of material for a storm water management pond & stockpiling the material on site. A portion of the western end of the pond will require special excavation around possible unexploded ordnance. A soil de-watering system consisting of the installation of approximately 1,888,000 VLF of wick drains, under drains, a drainage layer, & the placement of approximately 317,000 CY (10 feet to 20 feet high) of surcharge material will be required to consolidate the existing soils for 6 to 9 months. After the excess surcharge material (approximately 194,000 CY) has been removed & stockpiled on site for future use, installation of the five, double 4'x8' box culvert drainage structures can begin. Utility work will involve the installation of approximately 6,300 feet of 8" ductile iron water line & approximately 6,800 feet of 3" PVC sanitary sewer force main. Roadway work will involve construction of approximately 5,900 feet of a new two lane asphalt concrete road with metal guard rail, concrete barrier & other appurtenances. The project also includes approximately 5,000 feet of chain link fence. Final surface & slope stabilization will include seeding & mulching, erosion control blankets & turf reinforced matting. The entire project site is approximately 66 acres in total.

Interested Parties May Download at no cost the plans & specifications from the South Carolina State Ports Authority's website (www.scspsa.com). The link to the bidding documents can be found in the Quick Links under Legal Notices. Hardcopies of the plans & specifications will not be provided by the Authority.

Bids Must Be Accompanied by a certified check or bid bond for twenty percent (20%) of the base bid. One hundred percent (100%) labor & material bond will be required. The bidder shall have a current contractor's license for the State of SC.

The SC State Ports Authority Reserves The Right to reject any or all Bids, or to accept any bid if considered best for its interest.
