Request for Proposal: Construction Management Services & General Construction Services for proposed Renovations to the Surgery Suite & Ground Floor support areas at the Greenville Memorial Hospital (GMH) facility of the Greenville Hospital System. A phased renovation of approximately 12,000 sf is anticipated on the second floor of GMH for the surgery suite. The renovation proposed for the ground floor is approximately 25,000 sf. Maintaining ongoing operations of the respective areas is a critical aspect of the proposed construction, as is infection control.

Given the complex nature & aggressive schedule of the project, experience with construction within Greenville Memorial Hospital complex & in working with GHS protocols, & GMH departments, including GMH Engineering will be a significant consideration in the award of this project.

It is the intention of the owner (Greenville Hospital System) to select a construction manager (CM) to provide expertise to the owner in pre -construction & construction phase services for this project. Work shall be performed pursuant to an appropriate AIA form contract as modified by The Greenville Hospital System.

The selected CM will serve as an integral part of the project team to provide expertise during the pre-construction phase. The CM's expertise should include, but not be limited to, knowledge of construction means & methods, knowledge of materials & placement methods, & skilled trade considerations in healthcare settings. The services related to pre-construction phase activities will include, but not be limited to, cost estimating & phasing, permitting / process planning & coordination of the subcontractor

/ vendor solicitation & pre-qualification, projection of construction cost & cash flows, & value engineering.

Upon completion of pre-construction services of the project, the CM & owner will agree to an amendment to the contract in which the scope of construction services & a construction cost for the construction phase of the project will be determined. All subcontractor trades will be competitively bid.

Firms desiring to provide the above services should contact Louise Barrett, Facilities Development & Campus Planning, 255 Enterprise Blvd, Suite 200, Greenville, SC 29615 or call (864) 454-5570 for a copy of the Request for Proposal (RFP). The RFP will be available Monday, Sept 18, 2006. Firms desiring to submit their proposal will be required to respond to the RFP no later than 3:00 pm on Tuesday, October 3, 2006, to the address specified in the RFP.

Preference will be given to firms that currently have an office in Greenville County, South Carolina.

profit & non-profit developers; & community devel-
opment corporations.

The Consortium has applied for & been granted
HOME Investment Partnership program (HOME)
funds through the U.S. Department of Housing &
Urban Development (HUD). The HOME program

opment of affordable housing.
