ARCHITECT / ENGINEERING SERVICES

INTERSTATE REHABILITATION ENGINEERING SERVICES

SOLICITATION NUMBER S-123-14

The South Carolina Department Of Transportation (SCDOT) Requests a letter of interest & a current resume of qualifications from all interested consulting firms experienced in providing Interstate Rehabilitation Engineering Services on an on-call basis necessary for the preparation of preliminary plans, right of way plans, & final construction plans for roadways & bridges in South Carolina.

Requested Services Include, but are not limited to, surveys, roadway design, hydrology/hydraulics, construction support services, utility coordination, geotechnical borings & design engineering, environmental documentation & permitting, bridge jacking, & other related duties deemed necessary.

The Proposed Solicitation Will Span a three (3) year time frame. The SCDOT will select four (4) firms with a maximum award amount of up to \$2,000,000/firm. Consultants will be evaluated & ranked based on their score during the selection process. Consequently, work under each On-Call will initially be assigned based on the consultant's ranking. Once the list has been exhausted, work will then be assigned to best maintain equity in the value of work unless an exception is approved. Exceptions are warranted when specialized experience or knowledge to specific project is required & will require justification (see supplemental information).

Supplemental Information Associated With This Solicitation is located at [Click Here](#).

For Questions, please contact the SCDOT Contracting Officer, Wendy Hollingsworth, at (803) 737-0746 or via email at Holingswg@scdot.org. Electronic Submissions are due no later than 2:00pm, January 28, 2014.

DEVELOPMENT & SUPPORT OF TRAINING MANAGEMENT SYSTEM

The South Carolina State Election Commission is seeking a company that specializes in the development & support of training management systems. This is a Request For Information. Our request is for informational & planning purposes only & shall not be construed as a solicitation or as an obligation or commitment by the South Carolina State Election Commission (SEC).

The SEC is interested in obtaining a Training Management System that will permit the SEC to record, track, & report certification progress for election officials. The SEC is seeking vendors who are qualified & have had prior experience developing this type of application. COTS applications that can meet requirement are acceptable for proposal. Vendors who believe they have the capability to successfully deliver this system are invited to submit information concerning their company's capabilities. Responses should include rough cost estimates & technical proposals.

An RFI package can be obtained at www.scvotes.org/2011/05/25/procurements. Direct inquiries to Brian Keith Leach, bleach@elections.sc.gov or (803) 734-9059. Electronic responses to this RFI should be submitted directly to Heather Sherman, hsherman@elections.sc.gov & Chris Whitmire, cwhitmire@elections.sc.gov, no later than January 17, 2014.
