Assist City with development of contractor selection criteria, review, & make recommendation for the selection of the contractor.

Permitting Services: Prepare any necessary applications for construction permits to be files with agencies having jurisdiction.

Bidding Services: Assist with bidding of the construction to include the following:

1. Prepare advertisement for construction bids for placement in SCBO. Advertisement will be placed in accordance with State & Federal requirements; 2. Provide plans & specifications to contractors & suppliers requesting copies; 3. Prepare & issue any addenda that are necessary; 4. Attend & assist with bid opening; 5. Check bids for mathematical errors & prepare bid tabulation. Evaluate bids & make a recommendation of award; 6. Prepare contract documents for execution by the contractor & the City; 7. Assist in scheduling & conducting a preconstruction conference prior to the contractor beginning work; 8. Prepare & issue a Notice to Proceed to the contractor.

Services During Construction: Assist during construction period to include:

1. Review shop drawings & other product material to be provided by contractor;
2. Provide partial construction observation services during construction at times appropriate to the level of construction completes;
3. Submit, on a monthly basis, a summary of work performed by the contractor;
4. Prepare & submit any contract change orders;
5. Review & provide recommendations on periodic payment requests from the contractor;
6. Conduct a final inspection of the work with the City upon completion of the construction & assist in developing a punch list to ensure that all items are completed;
7. Coordinate final inspections & approval by governmental agencies having jurisdiction, & provide needed certifications of completion.

Submittals Shall Include & comply with the following: 1. Brief history of the firm & its experience; 2. Resumes of project team; 3. Project approach & proposed schedule; 4. A minimum of three examples of similar projects or completed work by the firm with brief descriptions; 5. Three references from similar projects; 6 A maximum of ten pages (both sides of the page may be used) shall be submitted with soft cover binding. No hard cover

binders will be accepted. Covers are excluded from page count; 7. One (1) original & five (5) copies of your qualifications are required; 8. Qualifications will be received at the Cayce City Hall until 2:00pm, local time, on the opening date shown; 9. Notice of intended award of contract will be posted at the location listed below: www.cityofcayce-sc.gov.

Qualifications Submitted via the facsimile machine, or e-mail are unacceptable.

Questions & Clarifications: For any questions or requests for clarifications please contact, Ms. Rebecca Vance, City Manager, (803) 796-9020, rvance@cityofcayce-sc.gov. Contact may not be made with other city staff or city council members regarding this project.

Other Relevant Information: The City of Cayce reserves the right to invite select firms to participate in formal interviews, but anticipates making a selection on the basis of the statement of qualifications. Preference will be given to local firms. The City will select a firm based on qualifications & negotiate a fee & contract with the selected firm. If an agreement cannot be reached with the selected firm, the City will begin negotiations with the second ranked firm.

The City of Cayce reserves the right to reject any or all firms at its discretion & to waive any formalities or irregularities.

WILLIAMSTON MASTER PLAN

REQUEST FOR QUALIFICATIONS

Project Name & Location: Town of Williamston Master Plan, Williamston, SC

Project Overview & Background Information: The Town of Williamston is soliciting qualifications from planning & design consultants to help guide the development

of a master plan for the Town of Williamston. The Town of Williamston is seeking the services of a consultant firm/team with town planning & economic development experience. Respondents should have broad experience in citizen involvement, visioning, community planning, commercial growth & redevelopment, landscape architecture, historic preservation, transportation, market analysis, & implementation.

The Town of Williamston is currently participating in the Main Street Program with oversight from Main Street South Carolina. A number of initiatives leading up to a Master Plan have already been completed or are currently underway. Therefore, it is requested that each proposal include a breakdown of cost for each individual component of the proposal in order not to duplicate items already completed by the Town of Williamston.

Examples of those components already completed by the town include but are not limited to: compilation of current historical & demographic data, development of an in-depth branding charrette, & development of an inventory of properties & their owners along Main Street. It is the intent of the Town of Williamston to incorporate these components into any proposal received & not duplicate the cost associated with their production. Costs should, however, be included in the proposal to review all existing components as described above & make any suggestions necessary to strengthen those components.

Description of All Professional Services Required For Project: Public Participation, Planners (Land & Transportation), Landscape Architecture, Historic Preservation, & Financial Analysis.

Proposal Submission: All submissions must be received no later than November 24, 2014. 5 copies of submissions are required plus one complete proposal in a PDF format on a cd-rom.

Please place proposals in an envelope or box clearly labeled "Town of Williamston: Williamston Master RFQ" & deliver to 12 West Main St., Williamston, SC 29697.

Questions & clarifications regarding this RFQ may be made by calling 864-847-7473.

A copy of the full RFQ is available at <http://www.williamstonsc.us>.
