Intent to Sole Source

SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION

The South Carolina Department of Transportation (SCDOT) is seeking a web-based permitting system to replace the current outdoor advertising / vegetation /junk yard permitting system. The Software-as-a-Service (SaaS) solution must be capable of providing a consistent process for managing permits for outdoor advertising sign, vegetation management violations, and junk yards. The awarded Contractor must install, configure, and convert the current data (PowerBuilder program) into their current system. The awarded Contractor must also provide technical support and maintenance for the SaaS system. Currently, SCDOT has determined DelaSoft's Outdoor Advertising Control System as the only system that can meet its needs.

The system must have the following features:

Centralized database, smartphone and tablet integration, integrated GIS, , trackable workflows, reporting and analytic capabilities, ability to upload attachments, email notifications, electronically create and issue outdoor advertising sign permits, vegetation permits, transfer permits, revise permits, replacement tags, sign removals, capture business review data, site review data, extensive report capability, capture sign location data, sign type, faces, size and viewing direction, digital imaging, property owner information, ability to electronically invoice and edit billing cycles and collection modules, ability to track and audit billing and payment transactions including receipt generation, send overdue / delinquent notices, capture court / appeal actions, , record and track violations to include sign permit and vegetation permits, warehouse management, online payment , automated notices, extensive searching capability, ability to site and extract SC Laws and Regulations for administrative actions, customer access portal, routing and recommendation features to enable field staff to collaboration with central office, SSL encryption, and external portal.

Software must be configurable to allow end users to input agency's business rules, changes to fees, and other agency specific settings.

Software must allow for the customization of reports through queries and downloadable into MS Excel.

If you have a system that meets or exceeds the above requirements or if you have any questions, please contact Ron Conner at connerkl@scdot.org by July 7, 2015.

THE SOUTH CAROLINA COMMISSION ON HIGHER EDUCATION

The South Carolina Commission on Higher Education (CHE) is seeking a qualified text messaging platform company to provide educational texting interventions and connect college access services and resources to approximately 2,300 high school students currently enrolled in the SC GEAR UP cohort managed by CHE. The services to include the following but not limited to the following:

- Develop a one-of-a-kind text messaging platform that allows two-way messaging, data-driven personalization and large scale implementation for federal grant projects, South Carolina high schools and in-state higher education institutions.
- Enable custom text messaging content to be personalized by CHE and SC GEAR UP staff for each student regarding college access information and application/financial aid deadlines.
- Familiar with the SC GEAR UP program, statewide high schools and in-state colleges/universities.
- Provide set-up training, functionality and continuous online support for assigned CHE and SC GEAR UP SC GEAR UP staff.
- Deliver effective student engagement experiences and high two-way response rates between SC GEAR UP cohort, SC high school counselors, and with college counselors during the first year of college (2017-2018).
- Offers a custom counselor portal which allows high school and counselors, advisors, and administrators to interact with students one-on-one via email during SC GEAR UP student's first year in college.
- Does not function as a one-way emergency alert service.
- Is able to offer a 2.5 year contract starting January 2016 until June 2018.

Qualified companies should contact Mrs. Catherine Sturm at CSturm@che.sc.gov by 6/19/2015 for consideration.
