SCDJJ DILUTION CONTROL SYSTEM AND SUPPLIES

The SC Department of Juvenile Justice is requesting information from interested manufacturers for the purpose of participating in a request for information and evaluation process for dilution control systems and supplies for its locations in Columbia, Ridgeville, and Union, SC.

SCDJJ will evaluate Manufacturer's responses to the Agency requirements. This evaluation may include a demonstration of the proposed systems. Manufacturers whose systems are chosen by the evaluation panel will be included in the bidder's list for an upcoming solicitation for which their dealers may participate.

Manufacturers must be able to provide window cleaner, disinfectant, degreaser, deodorizer, hard surface cleaner, and floor cleaner. Proposed supplies must have available options for food preparation and service areas along with licensed medical facility cleaning. The Agency prefers green chemicals where applicable.

Manufacturers chosen to move forward into the solicitation process will have the ability to provide local in service training to SCDJJ staff and provide a certificate of completion of training on an ongoing basis. Manufacturers chosen will have the ability to provide quick response to any repairs or service needed on their systems and the ability to install these systems at the identified SCDJJ locations.

Only those manufacturers responding to the request for information will be invited to participate in any future procurement process regarding these systems.

To receive a copy of the Request for Information Requirements; contact Stephen Pullie, SCDJJ Procurement Director, by 4/27/2015. He can be reached at 803-896-5643 or SLPULL@SCDJJ.NET.
