(a) By submitting an Offer, the Offeror certifies that-

(1) The prices in this Offer have been arrived at independently, without, for the purpose of restricting competition, any consultation, communication, or agreement with any other Offeror or competitor relating to-

- (i) Those prices;
- (ii) The intention to submit an offer; or
- (iii) The methods or factors used to calculate the prices offered.

(2) The prices in this Offer have not been and will not be knowingly disclosed by the Offeror, directly or indirectly, to any other Offeror or competitor before bid opening (in the case of a sealed bid solicitation) or contract award (in the case of a negotiated solicitation) unless otherwise required by law; and

(3) No attempt has been made or will be made by the Offeror to induce any other concern to submit or not to submit an offer for the purpose of restricting competition.

(b) Each signature on the Offer is considered to be a certification by the signatory that the signatory-

(1) Is the person in the Offeror's organization responsible for determining the prices being offered in this proposal, and that the signatory has not participated and will not participate in any action contrary to paragraphs (a)(1) through (a)(3) of this certification; or

(2)(i) Has been authorized, in writing, to act as agent for the Offeror's principals in certifying that those principals have not participated, and will not participate in any action contrary to paragraphs (a)(1) through (a)(3) of this certification [As used in this subdivision (b)(2)(i), the term "principals" means the person(s) in the Offeror's organization responsible for determining the prices offered in this proposal];

(c) If the Offeror deletes or modifies paragraph (a)(2) of this certification, the Offeror must furnish with its Offer a signed statement setting forth in detail the circumstances of the disclosure.

1.9 CERTIFICATION REGARDING DEBARMENT AND OTHER RESPONSIBILITY MATTERS (JAN 2004):

(a)(1) By submitting an Offer, Offeror certifies, to the best of its knowledge and belief, that-

(i) Offeror and/or any of its Principals-

(A) Are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any state or federal agency

(B) Have not, within a three-year period preceding this Offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state, or local) contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and

(C) Are not presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in paragraph (a)(1)(i)(B) of this provision.

(c) If Offeror is unable to certify the representations stated in paragraphs (a)(1), Offeror must submit a written explanation regarding its inability to make the certification. The certification will be considered in connection with a review of the Offeror's responsibility. Failure of the Offeror to furnish additional information as requested by the Procurement Officer, or his designee, may render the Offeror nonresponsible.

(d) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly or in bad faith rendered an erroneous certification, in addition to other remedies available to the State, the Procurement Officer, or his designee, may terminate the contract resulting from this solicitation for default without cost to the South Carolina Public Employee Benefit Authority or the State and the Contractor will be charged for the cost of replacement goods and services.

1.10 CODE OF LAWS AVAILABLE (JAN 2006): The South Carolina Code of Laws, including the Consolidated Procurement Code, is available at <http://www.scstatehouse.gov/code/statmast.php>. The South Carolina Regulations are available at <http://www.scstatehouse.gov/coderegs/statmast.php>.

1.11 COMPLETION OF FORMS/CORRECTION OF ERRORS (JAN 2006): All prices and notations should be printed in ink or typewritten. Errors should be crossed out, corrections entered and initialed by the person signing the proposal. Do not modify the solicitation document itself.

1.12 DEADLINE FOR SUBMISSION OF OFFER: PEBA will receive sealed proposals until 11:00 a.m. local time on the opening date shown. To be timely filed, proposals and amendments thereto should be received by the time advertised for opening. It is the vendor's sole responsibility to ensure PEBA receives these documents. Offerors mailing proposals should allow a sufficient mail delivery period to ensure timely receipt of their proposal by PEBA. Any offer received after the Procurement Officer or his designee has declared that the time set for opening has arrived, shall be rejected unless the offer has been delivered to the designated purchasing office or PEBA's mail room prior to the opening. [R. 19-445.2070(G)]

1.13 DISCLOSURE OF CONFLICTS OF INTEREST OR UNFAIR COMPETITIVE ADVANTAGE: You warrant and represent that your offer identifies and explains any unfair competitive advantage you may have in competing for the proposed contract and any actual or potential conflicts of interest that may arise from your participation in this competition or your receipt of an award. The two underlying principles are (a) preventing the existence of conflicting roles that might bias a contractor's judgment, and (b) preventing an unfair competitive advantage. If you have an unfair competitive advantage or a conflict of interest, PEBA may withhold award. Before withholding award on these grounds, an Offeror will be notified of the concerns and provided a reasonable opportunity to respond. Efforts to avoid or mitigate such concerns, including restrictions on future activities, may be considered. Without limiting the foregoing, you represent that your offer identifies any services that relate to either this solicitation or the work that has already been performed by you, a proposed subcontractor, or an affiliated business of either.

1.14 DISCLOSURE OF YOUR PROPOSAL and SUBMITTING CONFIDENTIAL DATA

(a) According to Section 11-35-410, any person submitting a document in response or with regard to any solicitation or other request must "comply with instructions provided in the solicitation for marking information exempt from public disclosure. In formation not marked as required by the applicable instructions may be

disclosed to the public." **IF YOU IDENTIFY YOUR ENTIRE RESPONSE AS EXEMPT FROM PUBLIC DISCLOSURE, OR IF YOU DO NOT SUBMIT A REDACTED COPY AS REQUIRED, THE STATE MAY, IN ITS SOLE DISCRETION, DETERMINE YOUR PROPOSAL NONRESPONSIVE AND INELIGIBLE FOR AWARD.** (b) By submitting a response to this solicitation or request, Offeror (1) agrees to the public disclosure of every page, or portion thereof, of every document regarding this solicitation or request that was submitted at any time prior to entering into a contract (including, but not limited to, documents contained in a response, documents submitted to clarify a response, and documents submitted during negotiations), unless the page, or portion thereof, was redacted and conspicuously marked "Trade Secret" or "Confidential" or "Protected", (2) agrees that any information not redacted and marked, as required by these bidding instructions, as a "Trade Secret" is not a trade secret as defined by the Trade Secrets Act, and (3) agrees that, notwithstanding any claims or markings otherwise, any prices, commissions, discounts, or other financial figures used to determine the award, as well as the final contract amount, are subject to public disclosure. (c) If your offer includes any information that you claim is exempt from public disclosure, you must submit one complete copy of your offer from which you have removed or concealed such information (the redacted copy). Except for the information removed or concealed, the redacted copy must be identical to your original offer. (d) Do not mark your entire response as confidential, trade secret, or protected. If only portions of a page are subject to some protection, do not redact the entire page. The redacted copy must reflect the same pagination as the original and show the empty space from which information was redacted. The Procurement Officer must be able to view, search, copy and print the redacted copy without a password. If your response, or any part thereof, is improperly marked as confidential or trade secret or protected, the State may, in its sole discretion, determine it nonresponsive. (e) On the redacted copy, you must identify the basis of your claim by marking each redaction as follows: You must separately mark with the word "CONFIDENTIAL" every page, or portion thereof, that you redacted and claim as exempt from public disclosure because it is either (1) a trade secret as defined in Section 30-4-40(a)(1) of the Freedom of Information Act, or (2) privileged and confidential, as that phrase is used in Section 11-35-410. You must separately mark with the words "TRADE SECRET" every page, or portion thereof, that you redacted and claim as exempt from public disclosure as a trade secret pursuant to Section 39-8-20 of the Trade Secrets Act. You must separately mark with the word "PROTECTED" every page, or portion thereof, that you redacted and claim as exempt from public disclosure pursuant to Section 11-35-1810. All markings must be conspicuous; use color, bold, underlining, or some other method in order to conspicuously distinguish the mark from the other text. (f) In determining whether to release documents, the State will detrimentally rely on your redaction and marking of documents, as required by these bidding instructions, as being either "Confidential" or "Trade Secret" or "Protected". By submitting a response, you agree to defend, indemnify and hold harmless the State of South Carolina, its agencies, officers and employees, from every claim, demand, loss, expense, cost, damage or injury, including attorney's fees, arising out of or resulting from withholding information by the State of South Carolina or any of its agencies, that you have redacted or marked as "Confidential" or "Trade Secret" or "Protected". (All references to S.C. Code of Laws.) [02-2A125-3]

1.15 DRUG FREE WORK PLACE CERTIFICATION (JAN 2004): By submitting an Offer, Contractor certifies that, if awarded a contract, Contractor will comply with all applicable provisions of The Drug-free Workplace Act, Title 44, Chapter 107 of the South Carolina Code of Laws, as amended.

1.16 DUTY TO INSPECT AND INQUIRE: Offeror, by submitting an Offer, represents that it has read and understands the Solicitation and that its Offer is made in compliance with the Solicitation and will be implemented on time and performed satisfactorily over the entire term of the contract. Offerors are expected to examine the Solicitation thoroughly and should request an explanation of any ambiguities, discrepancies, errors, omissions, or conflicting statements in the Solicitation in accordance with the terms of this Solicitation. Failure to do so will be at the Offeror's risk. All ambiguities, discrepancies, errors, omissions, or conflicting statements in the Solicitation shall be interpreted to require the better quality or greater quantity of work and/or materials, unless otherwise directed by amendment. Offeror assumes responsibility for any patent ambiguity in the Solicitation, or assumption it makes concerning the Solicitation, which Offeror does not bring to the State's attention pursuant to the terms

of this Solicitation. By submission of a proposal, Offeror also certifies that its Offer has been reviewed by the appropriate individuals within the Offeror's organization and that the goods and services herein, if an award is made to that Offeror, can and will be provided on time and for the compensation proposed, subject to any negotiations that may affect the amount of compensation.

1.17 ETHICS CERTIFICATE (MAY 2008): By submitting an offer, the Offeror certifies that the Offeror has and will comply with, and has not, and will not, induce a person to violate Title 8, Chapter 13 of the South Carolina Code of Laws, as amended (ethics act). The following statutes require special attention: Section 8-13-700, regarding use of official position for financial gain; Section 8-13-705, regarding gifts to influence action of public official; Section 8-13-720, regarding offering money for advice or assistance of public official; Sections 8-13-755 and 8-13-760, regarding restrictions on employment of a former public official; Section 8-13-775, prohibiting public official with economic interests from acting on contracts; Section 8-13-790, regarding recovery of kickbacks; Section 8-13-1150, regarding statements to be filed by consultants; and Section 8-13-1342, regarding restrictions on contributions by Contractor to candidate who participated in awarding of contract. The State may rescind any contract and recover all amounts expended as a result of any action taken in violation of this provision. If Contractor participates, directly or indirectly, in the evaluation or award of public contracts, including without limitation, change orders or task orders regarding a public contract, Contractor shall, if required by law to file such a statement, provide the statement required by Section 8-13-1150 to the Procurement Officer at the same time the law requires the statement to be filed.

1.18 OMIT TAXES FROM PRICE: Do not include any sales or use taxes in your price that PEBA may be required to pay.

1.19 OPEN TRADE REPRESENTATION (JUN 2015): By submitting an offer, Offeror represents that Offeror is not currently engaged in the boycott of a person or an entity based in or doing business with a jurisdiction with whom South Carolina can enjoy open trade, as defined in SC Code Section 11-35-5300.

1.20 PROHIBITED COMMUNICATIONS AND DONATIONS: Violation of these restrictions may result in disqualification of your offer, suspension or debarment, and may constitute a violation of law. (a) During the period between publication of the solicitation and final award, *you must not communicate, directly or indirectly, with PEBA or its employees, agents or officials regarding any aspect of this procurement activity, unless otherwise approved in writing by the Procurement Officer.* All communications must be solely with the Procurement Officer. [R. 19-445.2010] (b) You are advised to familiarize yourself with Regulation 19-445.2165, which restricts donations to a governmental entity with whom you have or seek to have a contract. *You represent that your offer discloses any gifts made, directly or through an intermediary, by you or your named subcontractors to or for the benefit of PEBA during the period beginning eighteen months prior to the Opening Date.* [R. 19-445.2165]

1.21 PROTESTS (MAY 2019) If you are aggrieved in connection with the solicitation or award of the contract, you may be entitled to protest, but only as provided in Section 11-35-4210. To protest a solicitation, you must submit a protest within fifteen days of the date the applicable solicitation document is issued. State, furnish satisfactory evidence of its ability to meet all contractual requirements. Unreasonable failure to supply information promptly in connection with a responsibility inquiry may be grounds for determining that you are ineligible to receive an award. See S.C. Code Ann. § 11-35-1810.

The foregoing restriction does not apply to a transfer that occurs by operation of law (e.g., bankruptcy; corporate reorganizations and consolidations, but not including partial asset sales). Notwithstanding the

foregoing, Contractor may assign monies receivable under the contract provided that the state shall have no obligation to make payment to an assignee until thirty (30) days after Contractor (not the assignee) has provided the Procurement Officer with (1) proof of the assignment, (2) the identity (by contract number) of the specific state contract to which the assignment applies, and (3) the name of the assignee and the exact address or account information to which assigned payments should be made. (b) If Contractor amends, modifies, or otherwise changes its name, its identity (including its trade name), or its corporate, partnership or other structure, or its FEIN, Contractor shall provide the Procurement Officer prompt written notice of such change. (c) Any name change, transfer, assignment, or novation is subject to the conditions and approval required by Regulation 19-445.2180, which does not restrict transfers by operation of law.

7.2 BANKRUPTCY – GENERAL (FEB 2015): (a) Notice. In the event the Contractor enters into proceedings relating to bankruptcy, whether voluntary or involuntary, the Contractor agrees to furnish written notification of the bankruptcy to PEBA. This notification shall be furnished within two (2) business days of the initiation of the proceedings relating to the bankruptcy filing. This notification shall include the date on which the bankruptcy petition was filed, the identity of the court in which the bankruptcy petition was filed, and a listing of all PEBA contracts against which final payment has not been made. This notification obligation remains in effect through the twelve (12) month post-termination transition period under this Contract. (b) Termination. This Contract is voidable and subject to immediate termination by PEBA upon the Contractor’s insolvency, including the filing of proceedings in bankruptcy.

7.3 CHOICE-OF-LAW (JAN 2006): The Agreement, any dispute, claim, or controversy relating to the Agreement, and all the rights and obligations of the parties shall, in all respects, be interpreted, construed, enforced and governed by and under the laws of the State of South Carolina, except its choice of law rules. As used in this paragraph, the term “Agreement” means any transaction or agreement arising out of, relating to, or contemplated by this solicitation.

7.4 CONTRACT DOCUMENTS & ORDER OF PRECEDENCE: (a) Any contract resulting from this solicitation shall consist of the following documents: (1) a Record of Negotiations, if any, executed by you and the Procurement Officer, (2) the solicitation, as amended, (3) documentation of discussions of an offer, if applicable, (4) your offer, (5) any statement reflecting the state’s final acceptance (the “award”), and (6) purchase orders. Except as otherwise allowed herein, the terms and conditions of all such documents shall be void and of no effect. Any document signed or otherwise agreed to by persons other than the Procurement Officer shall be void and of no effect.

7.5 DISCOUNT FOR PROMPT PAYMENT: (a) Discounts for prompt payment will not be considered in the evaluation of offers. However, any offered discount will form a part of the award and will be taken if payment is made within the discount period indicated in the offer by the offeror. As an alternative to offering a discount for prompt payment in conjunction with the offer, offerors awarded contracts may include discounts for prompt payment on individual invoices. (b) In connection with any discount offered for prompt payment, time shall be computed from the date of the invoice. If the Contractor has not placed a date on the invoice, the due date shall be calculated from the date the designated billing office receives a proper invoice, provided PEBA annotates such invoice with the date of receipt at the time of receipt. For the purpose of computing the discount earned, payment shall be considered to have been made on the date that appears on the payment check or, for an electronic funds transfer, the specified payment date. When the discount date falls on a Saturday, Sunday, or legal holiday when

Federal Government offices are closed and Government business is not expected to be conducted, payment may be made on the following business day.

7.6 DISPUTES: (1) Choice-of-Forum. All disputes, claims, or controversies relating to the Agreement shall be resolved exclusively by the appropriate Chief Procurement Officer in accordance with Title 11, Chapter 35, Article 17 of the South Carolina Code of Laws, or in the absence of jurisdiction, only in the Court of Common Pleas for, or a federal court located in, Richland County, State of South Carolina. Contractor agrees that any act by PEBA regarding the Agreement is not a waiver of either PEBA's or the State of South Carolina's sovereign immunity or immunity under the Eleventh Amendment of the United States' Constitution. As used in this paragraph, the term "Agreement" means any transaction or agreement arising out of, relating to, or contemplated by this solicitation. (2) Service of Process. Contractor consents that any papers, notices, or process necessary for the initiation or continuation of any disputes, claims, or controversies relating to the Agreement; for any court action in connection therewith; or for the entry of judgment on any award made, may be served on Contractor by certified mail (return receipt requested) addressed to Contractor at the address provided as the Notice Address on Page Two or by personal service or by any other manner permitted by law, in or outside South Carolina. Notice by certified mail is deemed duly given upon deposit in the United States mail.

7.7 EQUAL OPPORTUNITY (JAN 2006): Contractor is referred to and shall comply with all applicable provisions, if any, of Title 41, Part 60 of the Code of Federal Regulations, including but not limited to Sections 60-1.4, 60-4.2, 60-4.3, 60-250.5(a), and 60-741.5(a), which are hereby incorporated by reference.

7.8 FALSE CLAIMS (JAN 2006): According to the S.C. Code of Laws Section 16-13-240, "a person who by false pretense or representation obtains the signature of a person to a written instrument or obtains from another person any chattel, money, valuable security, or other property, real or personal, with intent to cheat and defraud a person of that property is guilty" of a crime.

7.9 FIXED PRICING REQUIRED (JAN 2006): Any pricing provided by Contractor shall include all costs for performing the work associated with that price. Except as otherwise provided in this solicitation, Contractor's price shall be fixed for the duration of this contract, including option terms. This clause does not prohibit Contractor from offering lower pricing after award.

7.10 NO INDEMNITY OR DEFENSE: Any term or condition is void to the extent it requires PEBA to indemnify, defend, or pay attorney's fees to anyone for any reason.

7.11 NOTICE (JAN 2006): (A) After award, any notices shall be in writing and shall be deemed duly given (1) upon actual delivery, if delivery is by hand, (2) upon receipt by the transmitting party of automated confirmation or answer back from the recipient's device if delivery is by telex, telegram, facsimile, or electronic mail, or (3) upon deposit into the United States mail, if postage is prepaid, a return receipt is requested, and either registered or certified mail is used. (B) Notice to Contractor shall be to the address identified as the Notice Address on Page Two. Notice to PEBA shall be to the Procurement Officer's address on the Cover Page. Either party may designate a different address for notice by giving notice in accordance with this paragraph.

7.12 OPEN TRADE (JUN 2015): During the contract term, including any renewals or extensions, Contractor will not engage in the boycott of a person or an entity based in or doing business with a jurisdiction with whom South Carolina can enjoy open trade, as defined in S.C. Code Section 11-35-5300.

7.13 PAYMENT & INTEREST: (a) PEBA shall pay the Contractor, after the submission of proper invoices or vouchers, the prices stipulated in this contract for supplies delivered and accepted or services rendered and accepted, less any deductions provided in this contract. Unless otherwise specified herein, including the purchase

order, payment shall not be made on partial deliveries accepted by PEBA. (b) Unless otherwise provided herein, including the purchase order, payment will be made by electronic funds transfer or check mailed to the payment address on "Page Two." (c) Notwithstanding any other provision, payment shall be made in accordance with S.C. Code Section 11-35-45, or Chapter 6 of Title 29 (real property improvements) when applicable, which provides the Contractor's exclusive means of recovering any type of interest from the Owner. Contractor waives imposition of an interest penalty unless the invoice submitted specifies that the late penalty is applicable. Except as set forth in this paragraph, PEBA shall not be liable for the payment of interest on any debt or claim arising out of or related to this contract for any reason. (d) Amounts due to PEBA shall bear interest at the rate of interest established by the South Carolina Comptroller General pursuant to Section 11-35-45 ("an amount not to exceed fifteen percent each year"), as amended, unless otherwise required by Section 29-6-30. (e) Any other basis for interest, including but not limited to general (pre- and post-judgment) or specific interest statutes, including S.C. Code Ann. Section 34-31-20, are expressly waived by both parties. If a court, despite this agreement and waiver, requires that interest be paid on any debt by either party other than as provided by items (c) and (d) above, the parties further agree that the applicable interest rate for any given calendar year shall be the lowest prime rate as listed in the first edition of the Wall Street Journal published for each year, applied as simple interest without compounding. (f) PEBA shall have all of its common law, equitable, and statutory rights of set-off.

7.14 PUBLICITY: Contractor shall not publish any comments or quotes by PEBA or State of South Carolina employees or include PEBA or the State of South Carolina in either news releases or a published list of customers without the prior written approval of the Procurement Officer.

7.15 PURCHASE ORDERS (JAN 2006): Contractor shall not perform any work prior to the receipt of a purchase order from PEBA. Purchase orders may be used to elect options available under this contract, e.g., quantity, delivery date, payment method, but are subject to all terms and conditions of this contract. Purchase orders may be electronic. No particular form is required. An order placed pursuant to the purchasing card provision qualifies as a purchase order.

7.16 SURVIVAL OF OBLIGATIONS (JAN 2006): The Parties' rights and obligations which, by their nature, would continue beyond the termination, cancellation, rejection, or expiration of this contract shall survive such termination, cancellation, rejection, or expiration, including, but not limited to, the rights and obligations created by the following clauses: Indemnification - Third Party Claims, Indemnification - Intellectual Property, Contract Documents and Order of Precedence, HIPAA Compliance/Confidentiality, and any provisions regarding warranty or audit.

7.17 TAXES (JAN 2006): Any tax the Contractor may be required to collect or pay upon the sale, use, or delivery of the products shall be paid by PEBA, and such sums shall be due and payable to the Contractor upon acceptance. Any personal property taxes levied after delivery shall be paid by PEBA. It shall be solely PEBA's obligation, after payment to Contractor, to challenge the applicability of any tax by negotiation with, or action against, the taxing authority. Contractor agrees to refund any tax collected, which is subsequently determined not to be proper and for which a refund has been paid to Contractor by the taxing authority. In the event that the Contractor fails to pay, or delays in paying, to any taxing authorities, sums paid by PEBA to the Contractor, Contractor shall be liable to PEBA for any loss (such as the assessment of additional interest) caused by virtue of this failure or delay. Taxes based on the Contractor's net income or assets shall be the sole responsibility of the Contractor.

7.18 TERMINATION DUE TO UNAVAILABILITY OF FUNDS (JAN 2006): Payment and performance obligations for succeeding fiscal periods shall be subject to the availability and appropriation of funds therefore. When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal period, the Contract shall be canceled. In the event of a cancellation pursuant to this

paragraph, Contractor will be reimbursed the resulting unamortized, reasonably incurred, nonrecurring costs. Contractor will not be reimbursed any costs amortized beyond the initial contract term.

7.19 THIRD PARTY BENEFICIARY (JAN 2006): This Contract is made solely and specifically among and for the benefit of the parties hereto, and their respective successors and assigns, and no other person will have any rights, interest, or claims hereunder or be entitled to any benefits under or on account of this Contract as a third party beneficiary or otherwise.

7.20 WAIVER (JAN 2006): PEBA does not waive any prior or subsequent breach of the terms of the Contract by making payments on the Contract, by failing to terminate the Contract for lack of performance, or by failing to strictly or promptly insist upon any term of the Contract. Only the Procurement Officer has actual authority to waive any of PEBA's rights under this Contract. Any waiver must be in writing.

PART 7

TERMS AND CONDITIONS -- B. SPECIAL

7.21 ADVERTISING USE AND REPRESENTATION: CONTACT WITH STATE ENTITIES: The Contractor agrees not to refer to the award of this contract in commercial advertising in such a manner as to state or imply that the product or service provided is endorsed or preferred by PEBA or the State of South Carolina or is considered by PEBA or the State of South Carolina to be superior to other products or services. PEBA reserves the right to review and approve any commercial advertising to which PEBA's use of Contractor's services and/or supplies under this Contract is referred. Such review shall be timely and approval shall not be unreasonably withheld. The Contractor shall not perform any mass mailings to participants without the permission of PEBA. At no time during the term of the Contract or otherwise, shall any employee of the Contractor use any data, name, address or other information received by the Contractor or Subcontractor pursuant to this Contract for any purpose other than performance of the contract. Any violation of this clause is a material breach of contract. The parties acknowledge the difficulties inherent in determining the damage from any breach of these restrictions. Contractor shall pay PEBA liquidated damages per Section 3.15 of this Contract.

7.22 ATTORNEY'S FEES: In the event that PEBA brings suit or action to compel performance of or recover for any breach of any stipulation, covenant, term, or condition of this Contract, PEBA may seek attorneys' fees from the Contractor and the Contractor will pay to PEBA such attorneys' fees as the court may award. Contractor will, in all instances, bear its own attorneys' fees and expenses.

7.23 BANKRUPTCY – GOVERNMENT INFORMATION (FEB 2015): (a) All government information (as defined in the clause herein entitled "Information Security - Definitions") shall belong exclusively to PEBA, and Contractor has no legal or equitable interest in, or claim to, such information. Contractor acknowledges and agrees that in the event Contractor enters into proceedings relating to bankruptcy, whether voluntary or involuntary, government information in its possession and/or under its control will not be considered property of its bankruptcy estate. (b) Contractor agrees to notify PEBA within two (2) business days of any determination that it makes to file for bankruptcy protection, and Contractor further agrees to turn over to PEBA, before such filing, all government information that is in Contractor's possession in a format that can be readily utilized by PEBA. (c) In order to protect the integrity and availability of government information, Contractor shall take reasonable measures to evaluate and monitor the financial circumstances of any subcontractor that will process, store, transmit or access government information.

7.24 CHANGES (JAN 2006): (1) Contract Modification. By a written order, at any time, and without notice to any surety, the Procurement Officer may, subject to all appropriate adjustments, make changes to the term of the Contract or within the general scope of this Contract in any one or more of the following:

Subparagraphs (a) to (c) apply only if supplies are furnished under this contract. Subparagraphs (d) to (f) apply only if services are performed under this contract. (2) Adjustments of Price or Time for Performance. If any such change increases or decreases the Contractor's cost of, or the time required for, performance of any part of the work under this contract, whether or not changed by the order, an adjustment shall be made in the Contract price, the delivery schedule, or both, and the Contract modified in writing accordingly. Failure of the parties to agree to an adjustment shall not excuse the Contractor from proceeding with the Contract as changed, provided that PEBA promptly and duly makes such provisional adjustments in payment or time for performance as may be reasonable. By proceeding with the work, the Contractor shall not be deemed to have prejudiced any claim for additional compensation, or an extension of time for completion. (3) Time Period for Claim. Within 30 days after receipt of a written Contract Modification under Paragraph (1) of this clause, unless such period is extended by the Procurement Officer in writing, the Contractor shall file notice of intent to assert a claim for an adjustment. Later notification shall not bar the Contractor's claim unless PEBA is prejudiced by the delay in notification. (4) Claim Barred After Final Payment. No claim by the Contractor for an adjustment hereunder shall be allowed if notice is not given prior to final payment under this contract.

7.25 COMPLIANCE WITH LAWS (JAN 2006): During the term of the Contract, Contractor shall comply with all applicable provisions of laws, codes, ordinances, rules, regulations, and tariffs.

7.26 CONFERENCE – PRE-PERFORMANCE (JAN 2006): Unless waived by the Procurement Officer, a pre-performance conference between the Contractor, PEBA, and Procurement Officer may be held at a location selected by PEBA within five (5) days after final award, and prior to commencement of work under the Contract. The responsibilities of all parties involved will be discussed to assure a meeting of the minds of all concerned. The Contractor or its duly authorized representative shall be required to attend at Contractor's expense.

7.27 CONTRACT INTERPRETATION: In the event there are any disagreements between the parties with regards to the application of this Contract or the requirements of PEBA arising from any interpretation of the Request for Proposals, this Contract, or otherwise, Contractor agrees to defer to the reasonable interpretations of PEBA as from time to time may be made by PEBA. This provision applies to all matters including those arising from disputes concerning whether Contractor is required to provide some service or item, including scope of work issues, and whether particular items or services were included in the scope of work agreed to by the parties in this Contract or otherwise. In summary, if both parties have a reasonable interpretation regarding application of the contract, Contractor agrees to defer to PEBA's interpretation.

The above requirements shall apply to any change orders, contract modifications, or other deviations to this agreement. Failure to receive the prior written and express approval of PEBA prior to implementing any changes to the requirements provided for hereunder, for which requests for extra or additional compensation are thereafter submitted by the Contractor to PEBA, shall impose no liability for payment upon PEBA and may be rejected by PEBA without recourse.

7.28 CONTRACT LIMITATIONS (JAN 2006): No sales may be made pursuant to this Contract for any item or service that is not expressly listed. No sales may be made pursuant to this Contract after expiration of this Contract. Violation of this provision may result in termination of this Contract and may subject contractor to suspension or debarment. [07-7B045-1]

7.29 CONTRACTOR PERSONNEL (JAN 2006): The Contractor shall enforce strict discipline and good order among the Contractor's employees and other persons carrying out the Contract. The Contractor shall not permit employment of unfit persons or persons not skilled in tasks assigned to them. [07-7B060-1]

(b) Coverage must include claims for:

(i) information security risks, including without limitation, failure to prevent unauthorized access to, tampering with or unauthorized use of a computer system; introduction of malicious codes, computer viruses, worms, logic bombs, etc., into data or systems; or theft, damage, unauthorized disclosure, destruction, or corruption of information in whatever form;

(ii) privacy risks, including (A) failure to properly handle, manage, store, destroy, or otherwise control non-public personally identifiable information in any format; (B) loss or disclosure of confidential information; and (C) any form of invasion, infringement or interference with rights of privacy, including breach of security/privacy laws or regulations;

(iii) contractual liability for the contractor's obligations described in the clauses titled "Indemnification - Third Party Claims – Disclosure Of Information" and "Information Use And Disclosure;" and

(iv) errors, omissions, or negligent acts in the performance, by the contractor or by any entity for which the contractor is legally responsible, of professional services included in the work.

(c) If the work includes content for internet web sites or any publications or media advertisements, coverage must also include claims for actual or alleged infringement of intellectual property rights, invasion of privacy, as well as advertising, media and content offenses.

(d) If the work includes software, coverage must also include claims for intellectual property infringement arising out of software and/or content (with the exception of patent infringement and misappropriation of trade secrets)

(e) Coverage shall have limits no less than five million (\$5,000,000.00) dollars per occurrence and ten million (\$10,000,000.00) dollars aggregate.

(f) If the insurance required by this clause is procured on a form affording "claims-made" coverage, then (i) all limits stated above as "per occurrence" shall be understood to mean "per claim" or "per occurrence," as is consistent with the terms of the "claims-made" policy; and (ii) such claims-made insurance shall provide for a retroactive date no later than the date the contract is awarded.

(g) All terms of this clause shall survive termination of the contract and shall continue until thirty (30) days past the final completion of the work, including the performance of any warranty work. In addition, contractor shall maintain in force and effect any "claims- made" coverage for a minimum of two (2) years after final completion of all work or services to be provided hereunder. Contractor shall purchase an extended reporting period, or "tail coverage," if necessary to comply with the latter requirement.

(h) PEBA and its officers, officials, employees, and volunteers of any of them, must be covered as additional insureds on the policy or policies of insurance required by this clause.

(i) For any claims related to this Contract, the insurance coverage required by this clause shall be primary insurance as respects PEBA and its officers, officials, employees, and volunteers of any of them. Any insurance or self-insurance maintained by PEBA and its officers, officials, employees, and volunteers of any of them, shall be excess of the Contractor's insurance and shall not contribute with it.

(j) Prior to commencement of the work, the Contractor shall furnish PEBA with original certificates of insurance for every applicable policy effecting the coverage required by this clause. All certificates are to be received and approved by the Procurement Officer before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. PEBA reserves the right to require complete, certified copies of all required insurance policies, including policy declarations and any endorsements required by this section, at any time.

(k) Should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions. In addition, the Contractor shall notify PEBA immediately upon receiving any information that any of the coverages required by this clause are or will be changed, cancelled, or replaced.

(l) Contractor hereby grants to PEBA a waiver of any right to subrogation which any insurer of said Contractor may acquire against PEBA by virtue of the payment of any loss under such insurance as is required by this clause. Contractor agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not PEBA has received a waiver of subrogation endorsement from the insurer.

(m) Any deductibles or self-insured retentions must be declared to and approved by PEBA. PEBA may require the Contractor to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

7.32 CONTRACTOR'S OBLIGATION - GENERAL (JAN 2006): The Contractor shall provide and pay for all materials, tools, equipment, labor, and professional and non-professional services, and shall perform all other acts and supply all other things necessary, to fully and properly perform and complete the work. The Contractor must act as the prime contractor and assume full responsibility for any Subcontractor's performance. The Contractor will be considered the sole point of contact with regard to all situations, including payment of all charges and the meeting of all other requirements.

7.33 DEFAULT (JAN 2006): (a) (1) PEBA may, subject to paragraphs (c) and (d) of this clause, by written notice of default to the Contractor, terminate this Contract in whole or in part if the Contractor fails to:

- (i) Deliver the supplies or to perform the services within the time specified in this Contract or any extension;
- (ii) Make progress, so as to endanger performance of this Contract (but see paragraph (a)(2) of this clause); or
- (iii) Perform any of the other material provisions of this Contract (but see paragraph (a)(2) of this clause).

(2) PEBA's right to terminate this Contract under subdivisions (a)(1)(ii) and (1)(iii) of this clause may be exercised if the Contractor does not cure such failure within ten (10) days (or more if authorized in writing by the Procurement Officer) after receipt of the notice from the Procurement Officer specifying the failure.

(b) If PEBA terminates this Contract in whole or in part, it may acquire, under the terms and in the manner the Procurement Officer considers appropriate, supplies or services similar to those terminated, and the Contractor will be liable to PEBA for any excess costs for those supplies or services. However, the Contractor shall continue the work not terminated.

(c) Except for defaults of subcontractors at any tier, the Contractor shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include (1) acts of God or of the public enemy, (2) acts of the State in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) freight embargoes, and (9) unusually severe weather. In each instance the failure to perform must be beyond the control and without the fault or negligence of the Contractor.

(d) If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted supplies or services were obtainable from other sources in sufficient time for the Contractor to meet the required delivery schedule.

(e) If this Contract is terminated for default, PEBA may require the Contractor to transfer title and deliver to PEBA, as directed by the Procurement Officer, any (1) completed supplies, and (2) partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (collectively referred to as “manufacturing materials” in this clause) that the Contractor has specifically produced or acquired for the terminated portion of this contract. Upon direction of the Procurement Officer, the Contractor shall also protect and preserve property in its possession in which PEBA has an interest.

(f) PEBA shall pay contract price for completed supplies delivered and accepted. The Contractor and Procurement Officer shall agree on the amount of payment for manufacturing materials delivered and accepted and for the protection and preservation of the property; if the parties fail to agree, the Procurement Officer shall set an amount subject to the Contractor’s rights under the Disputes clause. Failure to agree will be a dispute under the Disputes clause. PEBA may withhold from these amounts any sum the Procurement Officer determines to be necessary to protect PEBA against loss because of outstanding liens or claims of former lien holders.

(g) If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall, if the Contract contains a clause providing for termination for convenience of the State, be the same as if the termination had been issued for the convenience of the State. If, in the foregoing circumstances, this contract does not contain a clause providing for termination for convenience of the State, the contract shall be adjusted to compensate for such termination and the contract modified accordingly subject to the contractor’s rights under the Disputes clause.

(h) The rights and remedies of PEBA in this clause are in addition to any other rights and remedies provided by law or under this contract.

7.34 ILLEGAL IMMIGRATION (NOV. 2008): (An overview is available at www.procurement.sc.gov) By signing your offer, you certify that you will comply with the applicable requirements of Title 8, Chapter 14 of the South Carolina Code of Laws and agree to provide to the State upon request any documentation required to establish either: (a) that Title 8, Chapter 14 is inapplicable to you and your subcontractors or sub-subcontractors; or (b) that you and your subcontractors or sub-subcontractors are in compliance with Title 8, Chapter 14. Pursuant to Section 8-14-60, “A person who knowingly makes or files any false, fictitious, or fraudulent document, statement, or report pursuant to this chapter is guilty of a felony, and, upon conviction, must be fined within the discretion of the court or imprisoned for not more than five years, or both.” You agree to include in any contracts with your subcontractors language requiring your subcontractors to (a) comply with the applicable requirements of Title 8, Chapter 14, and (b) include in their contracts with the sub-subcontractors language requiring the sub-subcontractors to comply with the applicable requirements of Title 8, Chapter 14.

7.35 INDEMNIFICATION – THIRD PARTY CLAIMS - GENERAL.

(a) Notwithstanding any limitation in this Contract, and to the fullest extent permitted by law, Contractor will indemnify PEBA for any and all costs, expenses, settlement payments, attorney’s fees, losses, liabilities, and damages from all suits or claims of any character brought by a third party, when the third party’s claims arise out of or are in connection with the goods or services acquired under this Contract, whether caused in whole or in part by any act or omission of Contractor, its subcontractors, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, and regardless of whether or not caused in part by PEBA. The Contractor shall be required to indemnify under this section regardless of its own fault, but if PEBA’s negligence is determined by the appropriate court to be the sole proximate cause of the suit or claim, the Contractor will not be required to indemnify PEBA under this paragraph. PEBA will, at all times, retain the right to choose its own counsel and control its own defense.

(b) PEBA may, at its sole discretion, request Contractor to provide defense of the third party claim or suit. If PEBA elects defense, Contractor will bear full responsibility for any and all costs, expenses, settlement payments, attorney’s fees, losses, liabilities, and damages resulting from the suit or claim. PEBA will give Contractor timely

notice of the suit or claim. PEBA's failure to provide or delay in providing such notice will relieve Contractor of its obligations under this subparagraph only if and to the extent that such delay or failure materially prejudices Contractor's ability to defend such action. Contractor must provide counsel acceptable to PEBA. Contractor will keep PEBA apprised of all documents filed or sent to the third party in the claim or suit and allow PEBA the opportunity to review and provide input on the Contractor's draft documents before they are filed or sent. PEBA reserves the right to revoke its request for defense at any point and to undertake responsibility for its own defense, in which case Contractor will be required to indemnify PEBA under subparagraph (a) of this paragraph. Contractor may not, without PEBA's prior written consent, settle, compromise, or consent to the entry of any judgment in any such commenced or threatened action, suit, or claim.

(c) Contractor's obligations hereunder are in no way limited by any protection afforded under workers' compensation acts, disability benefits acts, or other employee benefit acts. This clause will not negate, abridge, or reduce any other rights or obligations of indemnity which would otherwise exist at law or in equity. The obligations of this paragraph will survive termination, cancellation, or expiration of this Contract. This provision will be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance.

7.36 INDEMNIFICATION - THIRD PARTY CLAIMS – DISCLOSURE OF INFORMATION:

(a) Notwithstanding any limitation in this Contract, and to the fullest extent permitted by law, Contractor will indemnify PEBA for any and all costs, expenses, settlement payments, attorney's fees, losses, liabilities, and damages from all suits or claims by a third party which arise out of or in connection with a disclosure of government information (as defined in the clause titled Information Security - Definitions) caused in whole or in part by any act or omission of Contractor, its subcontractors at any tier, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, regardless of whether or not caused in part by PEBA. The Contractor shall be required to indemnify under this section regardless of its own fault, but if PEBA's negligence is determined by the appropriate court to be the sole proximate cause of the suit or claim, the Contractor will not be required to indemnify PEBA under this section. PEBA will, at all times, retain the right to choose its own counsel and control its own defense.

(b) PEBA may, at its sole discretion, request Contractor to provide defense of the third party claim or suit. If PEBA elects defense, Contractor will bear full responsibility for any and all costs, expenses, settlement payments, attorney's fees, losses, liabilities, and damages resulting from the suit or claim. PEBA will give Contractor timely notice of the suit or claim. PEBA's failure to provide or delay in providing such notice will relieve Contractor of its obligations under this subparagraph only if and to the extent that such delay or failure materially prejudices Contractor's ability to defend such action. Contractor must provide counsel acceptable to PEBA. The Contractor will keep PEBA apprised of all documents filed or sent to the third party in the claim or suit and, to the extent practicable, allow PEBA the opportunity to review and provide input on the Contractor's draft documents before they are filed or sent. Contractor may not, without PEBA's prior written consent, settle, compromise, or consent to the entry of any judgment in any such commenced or threatened action unless such settlement, compromise, or consent (i) includes an unconditional release of PEBA from all liability related to such commenced or threatened action, and (ii) is solely monetary in nature and does not include a statement as to, or an admission of fault, culpability, or failure to act by or on behalf of PEBA or otherwise adversely affect PEBA. PEBA's consent is necessary for any settlement that requires PEBA to part with any right or make any payment or subjects PEBA to any injunction. PEBA reserves the right to revoke its request for defense at any point and to undertake responsibility for its own defense, in which case Contractor will be required to indemnify PEBA under subparagraph (a) of this paragraph.

(c) Notwithstanding any other provision, Contractor's obligations pursuant to this clause are without any limitation whatsoever. Contractor's obligations under this clause shall survive the termination, cancellation,

rejection, or expiration of the contract. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance.

7.37 INFORMATION SECURITY - DEFINITIONS (FEB 2015): The following definitions are used in those clauses that cross reference this clause.

Compromise means disclosure of information to unauthorized persons, or a violation of the security policy of a system in which unauthorized intentional or unintentional disclosure, modification, destruction, or loss of an object may have occurred. Without limitation, the term “compromise” includes copying the data through covert network channels, or copying the data to unauthorized media, or disclosure of information in violation of any obligation imposed by this contract.

Data means a subset of information in an electronic format that allows it to be retrieved or transmitted.

Government information means information (i) provided to Contractor by, or generated by Contractor for, PEBA, or (ii) acquired or accessed by Contractor as a result of performing the Work. Without limiting the foregoing, government information includes any information that Contractor acquires or accesses by software or web-based services, which includes, without limitation, any metadata or location data. Government information excludes unrestricted information.

Information means any communication or representation of knowledge such as facts, statistics, or opinions, in any medium or form, including textual, numerical, graphic, cartographic, narrative, or audiovisual.

Information system means a discrete set of information resources organized for the collection, processing, maintenance, use, sharing, dissemination, or disposition of information.

Public information means any specific information, regardless of form or format, that the State has actively and intentionally disclosed, disseminated, or made available to the public. Information is not public information solely because it may be subject to inspection pursuant to an unfulfilled public records request.

Software means any computer program accessed or used by PEBA or a third party pursuant to or as a result of this contract.

Third party means any person or entity other than PEBA, the Contractor, or any subcontractors at any tier.

Unrestricted information means (1) public information acquired other than through performance of the work, (2) information acquired by Contractor prior to contract formation, (3) information incidental to your contract administration, such as financial, administrative, cost or pricing, or management information, and (4) any ideas, concepts, know-how, methodologies, processes, technologies, techniques which Contractor develops or learns in connection with Contractor’s performance of the work.

Web-based service means a service accessed over the Internet and acquired, accessed, or used by the using governmental unit or a third party pursuant to or as a result of this contract, including without limitation, cloud services, software-as-a-service, and hosted computer services.

7.38 INFORMATION SECURITY - SAFEGUARDING REQUIREMENTS (FEB 2015)

(a) *Definitions.* The terms used in this clause shall have the same meaning as the terms defined in the clause titled Information Security – Definitions. In addition, as used in this clause—

Clearing means removal of data from an information system, its storage devices, and other peripheral devices with storage capacity, in such a way that the data may not be reconstructed using common system capabilities (i.e., through the keyboard); however, the data may be reconstructed using laboratory methods.

Intrusion means an unauthorized act of bypassing the security mechanisms of a system.

Media means physical devices or writing surfaces including but not limited to magnetic tapes, optical disks, magnetic disks, large scale integration memory chips, and printouts (but not including display media, e.g., a computer monitor, cathode ray tube (CRT) or other (transient) visual output) onto which information is recorded, stored, or printed within an information system.

Safeguarding means measures or controls that are prescribed to protect information.

Voice means all oral information regardless of transmission protocol.

(b) *Safeguarding Information.* Without limiting any other legal or contractual obligations, Contractor shall implement and maintain reasonable and appropriate administrative, physical, and technical safeguards (including without limitation written policies and procedures) for protection of the security, confidentiality and integrity of the government information in its possession. In addition, Contractor shall apply security controls when the Contractor reasonably determines that safeguarding requirements, in addition to those identified in paragraph (c) of this clause, may be required to provide adequate security, confidentiality and integrity in a dynamic environment based on an assessed risk or vulnerability. Contractor shall comply fully with all current and future updates of the information security requirements of PEBA, as outlined in this Contract and as provided during the term of the Contract.

(c) *Safeguarding requirements and procedures.* Contractor shall apply the following basic safeguarding requirements to protect government information from unauthorized access and disclosure:

(1) Protecting information on public computers or Web sites. Do not process government information on public computers (e.g., those available for use by the general public in kiosks, hotel business centers) or computers that do not have access control. Government information shall not be posted on Web sites that are publicly available or have access limited only by domain/Internet Protocol restriction. Such information may be posted to web pages that control access by user ID/password, user certificates, or other technical means, and that provide protection via use of security technologies. Access control may be provided by the intranet (versus the Web site itself or the application it hosts).

(2) Transmitting electronic information. Transmit email, text messages, blogs, and similar communications that contain government information using technology and processes that provide the best level of security and privacy available, given facilities, conditions, and environment.

(3) Transmitting voice and fax information. Transmit government information via voice and fax only when the sender has a reasonable assurance that access is limited to authorized recipients.

(4) Physical and electronic barriers. Protect government information by at least one physical and one electronic barrier (e.g., locked container or room, login and password) when not under direct individual control.

(5) Sanitization. At a minimum, clear information on media that have been used to process government information before external release or disposal. Overwriting is an acceptable means of clearing media in accordance with National Institute of Standards and Technology 800–88, Guidelines for Media Sanitization, at http://csrc.nist.gov/publications/nistpubs/800-88/NISTSP800-88_with-errata.pdf.

(6) Intrusion protection. Provide at a minimum the following protections against intrusions and compromise:

(i) Current and regularly updated malware protection services, e.g., anti-virus, antispyware.

(ii) Prompt application of security-relevant software upgrades, e.g., patches, service packs, and hot fixes.

(7) Transfer limitations. Transfer government information only to those subcontractors that both require the information for purposes of contract performance and provide at least the same level of security as specified in this clause.

(d) *Subcontracts.* Any reference in this clause to Contractor also includes any subcontractor at any tier. Contractor is responsible for, and shall impose by agreement requirements at least as secure as those imposed by this clause on, any other person or entity that contractor authorizes to take action related to government information.

(e) *Due Diligence.* Contractor shall complete a due diligence process annually or as otherwise requested by PEBA or a PEBA designated third party. This process may include a written questionnaire and in some cases could require an onsite visit from PEBA or a PEBA designated third party.

(f) *Background Checks.* Contractor shall ensure its staff shall have a criminal background check completed prior to accessing systems and/or applications that contain PEBA data. The background check shall be nationwide and, at a minimum, include federal, state, and county records where the Contractor's staff member has resided for the past seven years. PEBA maintains the right to request a third party vendor or an individual who is involved with PEBA data and/or systems be removed from the further interaction with PEBA's data and/or systems.

(g) *Training.* Contractor shall provide security and privacy training, at least annually, for all staff members who have access to systems and/or applications that contain PEBA data.

(h) *Other contractual requirements regarding the safeguarding of information.* This clause addresses basic requirements and is subordinate to any other contract clauses or requirements to the extent that it specifically provides for enhanced safeguarding of information or information systems.

7.39 INFORMATION SECURITY – DATA LOCATION (FEB 2015): Contractor is prohibited from accessing, processing, transmitting, or storing government information, as defined in the clause titled Information Security- Definitions, outside the United States. This obligation is a material requirement of this contract.

7.40 INFORMATION USE AND DISCLOSURE (FEB 2015): Except to the extent necessary for performance of the work, citizens should not be required to share information with those engaged by the government in order to access services provided by the government and such information should be used by those engaged by the government only to the extent necessary to perform the work acquired; accordingly, this clause addresses basic requirements for the Contractor’s use and disclosure of government information, which expressly includes, but is not limited to, information provided by or obtained from the citizens. Anonymizing information does not resolve the foregoing concern. This clause should be broadly interpreted to effectuate this intent. Every obligation in this clause is material. Absent express reference to this clause, this clause supersedes any other clause to the extent of any inconsistency unless and to the extent the other clause provides greater protection for government information.

(a) *Definitions.* The terms used in this clause shall have the same meaning as the terms defined in the clause titled Information Security – Definitions.

(b) *Legal mandates.* Contractor shall be permitted to use, disclose, or retain government information to the limited extent necessary to comply with any requirement imposed on Contractor by law. If it is necessary for Contractor to use, disclose, or retain government information in order to comply with a law, Contractor shall provide using governmental unit with written notice, including a description of the circumstances and applicable law, in advance of such use, disclosure or retention except to the extent expressly prohibited by law.

(c) *Flow down.* Any reference in this clause to Contractor also includes any subcontractor at any tier. Contractor is responsible for, and shall impose by agreement the requirements of this clause on, any other person or entity that contractor authorizes to take action related to government information.

(d) *Collecting Information.* Contractor must gather and maintain government information only to the minimum extent necessary to accomplish the work.

(e) *Rights, Disclosure and Use.* Except as otherwise expressly provided in this solicitation, Contractor agrees NOT to either (1) use or disclose government information, or (2) retain government information after termination or expiration of this contract. Contractor acquires no rights in any government information except the limited rights to use, disclose and retain the government information in accordance with the terms of this solicitation. To the extent reasonably necessary to perform the work, Contractor may: (i) use (including access, process, transmit, and store) and maintain the government information itself; and (ii) disclose government information to persons having a need-to-know (e.g., subcontractors). Before disclosing government information to a subcontractor or third party, Contractor shall give PEBA detailed written notice of both the reason for disclosure and the identity and location of the recipient. The notice shall be provided no later than fifteen (15) business days in advance of the disclosure.

(f) *Return.* Notwithstanding PEBA’s failure to perform or the pendency of a dispute, Contractor agrees to promptly deliver to PEBA (or destroy, at PEBA’s option) all government information in its possession as and upon written request of PEBA (provided that, if the contract has not expired or been terminated, Contractor shall be excused from the performance of any work reasonably dependent on Contractor’s further access to such government information).

(g) *Privacy Policy & Applicable Laws.* Without limiting any other legal or contractual obligations imposed by this contract or the law, Contractor shall (a) comply with its own privacy policies and written privacy statements relevant to the work, and (b) comply with (1) all laws applicable to Contractor regarding government information, and (2) all laws and standards identified in the clause, if included, entitled Information Use and Disclosure – Standards.

(h) *Actions Following Unintended Disclosure.* Immediately upon discovery of a compromise or improper use of government information, Contractor shall take such action as may be necessary to preserve forensic evidence and eliminate the cause of the compromise or improper use. As soon as practicable, but no later than two business days after discovery, Contractor shall notify PEBA of the compromise or improper use, including a description of the circumstances of the use or compromise. As soon as practicable after discovery, Contractor shall undertake a thorough forensic investigation of any compromise or improper use and provide PEBA all information necessary to enable PEBA to fully understand the nature and extent of the compromise or improper use. With regard to any compromise or improper use of government information, Contractor shall: (1) provide any notification to third parties legally required to be provided such notice by Contractor, and if not (e.g., if legally required of PEBA), Contractor shall reimburse PEBA for the cost of providing such notifications; (2) pay all costs and expenses for at least two years of identity theft monitoring services (including without limitation, credit monitoring) and identity theft restoration services for any such affected individuals receiving notice where such services are appropriate given the circumstances of the incident and the nature of the information compromised; (3) undertake any other measures that are customary and reasonable for an entity to take when experiencing a similar disclosure, (4) pay any related fines or penalties imposed on PEBA, and (5) reimburse PEBA all costs reasonably incurred for communications and public relations services involved in responding to the compromise or improper use. Notwithstanding any other provision, contractor's obligations pursuant to this item (h) are without limitation.

(i) *Survival & Remedy.* All the obligations imposed by this paragraph are material. The obligations of this section shall survive termination or expiration of the contract. Without limiting any rights PEBA may have, and notwithstanding any other term of this contract, Contractor agrees that PEBA may have no adequate remedy at law for a breach of Contractor's obligations under this clause and therefore PEBA shall be entitled to pursue equitable remedies in the event of a breach of this clause.

7.41 INFORMATION USE AND DISCLOSURE – STANDARDS (FEB 2015): To the extent applicable:

(a) Breach of security of state agency data; notification; rights and remedies of injured parties; penalties; notification of Consumer Protection Division, S.C. Code Ann. § 1-11-490.

(b) South Carolina Financial Identity Fraud and Identity Theft Protection Act (FIFITPA), 2008 Act 190, as amended. Solely for purposes of Section 39-1-90 of the South Carolina Code of Laws, as amended, Contractor is deemed to be the owner of government information, as defined herein, and Contractor agrees that PEBA is not a licensee.

(c) The South Carolina Family Privacy Protection Act of 2002, S.C. Code Ann. §§ 30-2-10, *et seq.*

(d) Personal Identifying Information Privacy Protection, S.C. Code Ann. §§ 30-2-310 *et seq.*

(e) Data Breach Notification, Proviso 117.110 of the 2015-2016 Appropriations Act. H.R. 3701 § 117.110. 121st Cong. (S.C. 2015) (Act 91), as revised in any future annual appropriations act.

7.42 LAWSUIT NOTIFICATION AND COOPERATION. The Contractor shall notify PEBA of any lawsuit or legal claim asserted, brought, filed, or served against the Contractor arising out of or in connection with the goods or services acquired hereunder. Notification shall be made within two (2) business days after the date Contractor first learns, by any means, of the legal claim or lawsuit. The Contractor will keep PEBA apprised of all documents filed in the lawsuit, and, to the extent possible, allow PEBA the opportunity to review and provide input on the Contractor's draft documents before they are filed. PEBA will, at all times, retain the right to choose its own counsel and control its own defense. The Contractor also agrees to cooperate with PEBA and provide data, information, and documentation necessary to pursue litigation filed by or on behalf of PEBA against any party.

7.43 LICENSES AND PERMITS (JAN 2006): During the term of the Contract, the Contractor shall be responsible for obtaining, and maintaining in good standing, all licenses (including professional licenses, if any), permits, inspections and related fees for each or any such licenses, permits and /or inspections required by the State, county, city or other government entity or unit to accomplish the work specified in this solicitation and the contract.

7.44 OWNERSHIP OF DATA & MATERIALS (JAN 2006): All data, material and documentation prepared for the state pursuant to this contract shall belong exclusively to the State. [07-7B125-1]

7.45 OFFSHORE CONTRACTING PROHIBITED (FEB 2015): No part of the resulting contract from this solicitation may be performed offshore of the United States by persons located offshore of the United State or by means, methods, or communications that, in whole or in part, take place offshore of the United States. [07-7B122-1]

7.46 PRICE ADJUSTMENTS (JAN 2006): (1) Method of Adjustment. Any adjustment in the Contract price made pursuant to a clause in this contract shall be consistent with this Contract and shall be arrived at through whichever one of the following ways is the most valid approximation of the actual cost to the Contractor (including profit, if otherwise allowed):

(a) by agreement on a fixed price adjustment before commencement of the pertinent performance or as soon thereafter as practicable;

(b) by unit prices specified in the Contract or subsequently agreed upon;

(c) by the costs attributable to the event or situation covered by the relevant clause, including profit if otherwise allowed all as specified in the Contract; or subsequently agreed upon;

(d) in such other manner as the parties may mutually agree; or,

(e) in the absence of agreement by the parties, through a unilateral initial written determination by the Procurement Officer of the costs attributable to the event or situation covered by the clause, including profit if otherwise allowed all as computed by the Procurement Officer in accordance with generally accepted accounting principles, subject to the provisions of Title 11, Chapter 35, Article 17 of the S.C. Code of Laws.

(2) Submission of Price or Cost Data. Upon request of the Procurement Officer, the contractor shall provide reasonably available factual information to substantiate that the price or cost offered, for any price adjustments is reasonable, consistent with the provisions of Section 11-35-1830.

7.47 PRICE ADJUSTMENT - LIMITED: Upon approval of the Procurement Officer, prices may be adjusted for any renewal term. Prices shall not be increased during the initial term. Any request for a price increase must be received by the Procurement Officer at least six (6) months prior to the expiration of the applicable term and must be accompanied by sufficient documentation to justify the increase. If approved, a price increase becomes effective starting with the term beginning after approval. A price increase must be executed as a change order. Contractor may terminate this contract at the end of the then current term if a price increase request is denied. Notice of termination pursuant to this paragraph must be received by the Procurement Officer no later than fifteen (15) days after the Procurement Officer sends contractor notice rejecting the requested price increase.

7.48 PRICE ADJUSTMENTS—LIMITED BY CPI “OTHER GOODS & SERVICES” (JAN 2006): Upon request and adequate justification, the Procurement Officer may grant a price increase up to, but not to exceed, the unadjusted percent change for the most recent 12 months for which data is available, that is not subject to revision, in the Consumer Price Index (CPI) for all urban consumers (CPI-U), “Other Goods & Services” for services, as determined by the Procurement Officer. The Bureau of Labor and Statistics publishes this information on the web at www.bls.gov

7.49 PRICING DATA -- AUDIT -- INSPECTION (JAN 2006)

(a) Cost or Pricing Data. Upon Procurement Officer’s request, you shall submit cost or pricing data, as defined by 48 C.F.R. Section 2.101 (2004), prior to either (1) any award to contractor pursuant to 11-35-1530 or 11-35-1560, if the total contract price exceeds \$500,000, or (2) execution of a change order or contract modification with Contractor which exceeds \$100,000. Your price, including profit or fee, shall be adjusted to exclude any significant sums by which the State or PEBA finds that such price was increased because you furnished cost or pricing data that was inaccurate, incomplete, or not current as of the date agreed upon between parties. (b) Records

Retention. You shall maintain your records for three years from the date of final payment, or longer if requested by the Chief Procurement Officer. The State or PEBA may audit your records at reasonable times and places. As used in this subparagraph (b), the term “records” means any books or records that relate to cost or pricing data submitted pursuant to this clause. In addition to the obligation stated in this subparagraph (b), you shall retain all records and allow any audits provided for by 11-35-2220(2). (c) Inspection. At reasonable times, the State or PEBA may inspect any part of your place of business which is related to performance of the work. (d) Instructions Certification.

When you submit data pursuant to subparagraph (a), you shall (1) do so in accordance with the instructions appearing in Table 15-2 of 48 C.F.R. Section 15.408 (2004) (adapted as necessary for the state context), and (2) submit a Certificate of Current Cost or Pricing Data, as prescribed by 48 CFR Section 15.406-2(a) (adapted as necessary for the State context). (e) Subcontracts. You shall include the above text of this clause in all of your subcontracts. (f) Nothing in this clause limits any other rights of the State or PEBA.

7.50 RELATIONSHIP OF THE PARTIES (JAN 2006): Neither party is an employee, agent, partner, or joint venturer of the other. Neither party has the right or ability to bind the other to any agreement with a third party or to incur any obligation or liability on behalf of the other party.

7.51 RESTRICTIONS ON PRESENTING TERMS OF USE OR OFFERING ADDITIONAL SERVICES:

(a) Citizens, as well as public employees (acting in their individual capacity), should not be unnecessarily required to agree to or provide consent to policies or contractual terms in order to access services acquired by the government pursuant to this contract (hereinafter “applicable services”) or, in the case of public employees, to perform their job duties; accordingly, in performing the work, contractor shall not require or invite any citizen or public employee to agree to or provide consent to any end user contract, privacy policy, or other terms of use (hereinafter “terms of use”) not previously approved in writing by the procurement officer. Contractor agrees that any terms of use regarding applicable services are void and of no effect.

(b) Unless expressly provided in the solicitation, public contracts are not intended to provide contractors an opportunity to market additional products and services; accordingly, in performing the work, contractor shall not – for itself or on behalf of any third party – offer citizens or public employees (other than the procurement officer) any additional products or services not required by the contract.

(c) Any reference to contractor in items (a) or (b) also includes any subcontractor at any tier. Contractor is responsible for compliance with these obligations by any person or entity that contractor authorizes to take any action related to the work.

(d) Any violation of this clause is a material breach of contract. The parties acknowledge the difficulties inherent in determining the damage from any breach of these restrictions. Contractor shall pay PEBA liquidated damages of \$1,000 for each contact with a citizen or end user that violates this restriction.

7.52 SERVICE PROVIDER SECURITY ASSESSMENT QUESTIONNAIRE – REQUIRED:

The Contractor must demonstrate that programs, policies, and procedures are in place to adequately provide for the confidentiality, integrity, and availability of the information systems used by Contractor to process, store, transmit, and access all government information. In order for PEBA to accurately evaluate the strength and viability of the Contractor’s security policies, procedures and practices related to confidentiality, integrity and availability, Offerors must submit with their offers a thorough and complete written response to the Service Provider Security Assessment Questionnaire (“Response to SPSAQ”) attached to this Solicitation (Attachment 3), which must address all applicable organizations and applicable information systems. The terms used in this clause shall have the same meaning as the terms defined in the clause titled Information Security – Definitions.

7.53 SERVICE PROVIDER SECURITY REPRESENTATION (FEB 2015): The following obligations are subordinate to any other contract clause to the extent the other clause specifically provides for enhanced safeguarding of government information, applicable information systems, or applicable organizations. Offeror (i) warrants that the work will be performed, and any applicable information system (as defined in the clause titled “Information Security - Definitions”) will be established and maintained in substantial conformity with the information provided in Offeror’s Response to SPSAQ; (ii) agrees to provide PEBA with prompt notice of any material variation in operations from that reflected in the Response to SPSAQ; and (iii) agrees to comply with all other obligations involving either information security or information use and disclosure imposed by the contract, notwithstanding any inconsistent statement in Offeror’s Response to SPSAQ. To the extent Offeror’s Response to SPSAQ does not conform to any other contractual requirements, PEBA’s lack of objection does not constitute a waiver.

7.54 TERM OF CONTRACT - EFFECTIVE DATE:

Contract Term: July 1, 2023, through June 30, 2028.

These dates are estimates only. The effective date of this Contract is the first day of the Contract Term as specified on the final statement of award. Regardless, this Contract expires no later than the last date stated on the final statement of award.

7.55 TERMINATION FOR CONVENIENCE: (1) Termination. The Procurement Officer may terminate this Contract in whole or in part, for the convenience of the State. The Procurement Officer shall give written notice of the termination to the Contractor specifying the part of the Contract terminated and when termination becomes effective.

(2) Contractor’s Obligations. The Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the Contractor will stop work to the extent specified. The Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. The Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Procurement Officer may direct the Contractor to assign the Contractor’s right, title, and interest under terminated orders or subcontracts to PEBA. The Contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

(3) Right to Supplies. The Procurement Officer may require the Contractor to transfer title and deliver to PEBA in the manner and to the extent directed by the Procurement Officer: (a) any completed supplies; and (b) such partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called “manufacturing material”) as the Contractor has specifically produced or specially acquired for the performance of the terminated part of this contract. The Contractor shall, upon direction of the Procurement Officer, protect and preserve property in the possession of the Contractor in which PEBA has an interest. If the Procurement Officer does not exercise this right, the Contractor shall use best efforts to sell such supplies and manufacturing materials in accordance with the standards of Uniform Commercial Code Section 2-706. Utilization of this Section in no way implies that PEBA has breached the Contract by exercise of the Termination for Convenience Clause.

(4) Compensation. (a) The Contractor shall submit a termination claim specifying the amounts due because of the termination for convenience together with cost or pricing data required by Section 11-35-1830 bearing on such claim. If the Contractor fails to file a termination claim within one year from the effective date of termination, the Procurement Officer may pay the Contractor, if at all, an amount set in accordance with Subparagraph (c) of this Paragraph.

(b) The Procurement Officer and the Contractor may agree to a settlement and that the settlement does not exceed the total contract price plus settlement costs reduced by payments previously made by PEBA, the proceeds of any sales of supplies and manufacturing materials under Paragraph (3) of this clause, and the contract price of the work not terminated;

(c) Absent complete agreement under Subparagraph (b) of this Paragraph, the Procurement Officer shall pay the Contractor the following amounts, provided payments agreed to under Subparagraph (b) shall not duplicate payments under this Subparagraph:

(i) contract prices for supplies or services accepted under the contract;

(ii) costs reasonably incurred in performing the terminated portion of the work less amounts paid or to be paid for accepted supplies or services;

(iii) reasonable costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to Paragraph (2) of this clause. These costs must not include costs paid in accordance with Subparagraph (c)(ii) of this paragraph;

(iv) any other reasonable costs that have resulted from the termination. The total sum to be paid the Contractor under this Subparagraph shall not exceed the total contract price plus the reasonable settlement costs of the Contractor reduced by the amount of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under Subparagraph (b) of this Paragraph, and the contract price of work not terminated.

(d) Contractor must demonstrate any costs claimed, agreed to, or established under Subparagraphs (b) and (c) of this Paragraph using its standard record keeping system, provided such system is consistent with any applicable Generally Accepted Accounting Principles.

(5) Contractor's failure to include an appropriate termination for convenience clause in any subcontract shall not (i) affect PEBA's right to require the termination of a subcontract, or (ii) increase the obligation of PEBA beyond what it would have been if the subcontract had contained an appropriate clause.
