**(E500SL September 18, 2023)**

## **ARTICLE 1—DEFINITIONS**

All definitions in other parts of the MPA shall have the same meaning in this MPA Terms and Conditions. In addition to the definitions within the Master Agreement and in other parts of this MPA, the following definitions apply to this MPA:

- a. **"Authorized Entity"** means an agency, department, division, or political subdivision of the governmental entity authorized by Signing Entity to order and acquire Esri Offerings under this MPA.
- b. **"Customer"** means the Signing Entity or an Authorized Entity that places orders pursuant to this MPA.
- c. **"Master Agreement"** means the Master Agreement Product and Services No. 00333681.0 attached hereto.

## **ARTICLE 2—TERM OF AGREEMENT**

Customer's right to purchase under this MPA shall remain in effect for five (5) years from 1/15/2025 to 01/14/2030 unless terminated earlier as set forth in Article 5—Termination; Cancellation. The term may be extended upon mutual written agreement. The term of any Esri Offering licenses ordered through this MPA shall be as stated in the Master Agreement. Esri may elect to not renew this MPA should total orders for licenses, training, consulting, or custom application development not exceed fifty thousand dollars (\$50,000.00) per year or one hundred thousand dollars (\$100,000.00) for any two (2)-year period.

## **ARTICLE 3—PRODUCT OFFERINGS**

**3.1 Discontinued and New Items.** Esri may, at its sole discretion, discontinue offering any Esri Offerings included in this MPA upon the submittal of an updated MPA Price List. Esri may, at its sole discretion, offer new Esri Offerings, or larger quantity discount pricing by the submittal of an updated MPA Price List.

**3.2 Master Agreement.** Esri may require additional or different license terms prior to the use of new Esri Offerings. Such additional terms shall be available at <https://www.esri.com/en-us/legal/overview>, included with a quote, or included with the deliverable Esri Offerings. The then-current Master Agreement shall become part of this MPA upon (i) ordering Esri Offerings or (ii) thirty (30) days after Customer's receipt of Esri Offerings, whichever is sooner.

## **ARTICLE 4—GRANT OF LICENSE AND SCOPE OF USE**

The license grant and permitted uses specified in the Master Agreement are restricted to use within the continental United States; Hawaii; Alaska; and US territories, excluding Puerto Rico and the US Virgin Islands.

## **ARTICLE 5—TERMINATION; CANCELLATION**

### **5.1 Termination**

- a. **Termination for Convenience.** This MPA may be terminated by either party upon sixty (60) days' written notice. Esri, at its sole election, may terminate the right of any Authorized Entity to participate in this MPA in accordance with this provision without terminating this MPA with respect to Signing Entity or any other Authorized Entity.
- b. **Termination Due to Unavailability of Funds.** See Article 13.10 Termination Due to Unavailability of Funds below.
- c. **Termination for Material Breach.** Without prejudice to any other right or remedy available, this MPA may be terminated for material breach, provided the breaching party is given thirty (30) days' written notice. After termination, Customer shall no longer be permitted to place orders under this MPA.
- d. **License Survival.** Upon expiration of this MPA or voluntary termination of this MPA, Customer may continue to retain and use such licensed Products in accordance with the Master Agreement. Customer may then directly and separately contract for Maintenance.

**5.2 Cancellation of an Order.** Purchase orders, other than for the initial purchase, may be canceled by Customer in whole or in part, upon forty-five (45) days' written notice to Esri. There will be no cancellation charge for canceled Products unless such Products have been delivered. If Products have been shipped, the cancellation will require Customer payment of return shipping costs. There are no refunds for cancellation of a subscription or Maintenance if the term for the subscription or Maintenance has started.

## **ARTICLE 6—NO MINIMUM PURCHASE**

Customer does not guarantee to purchase any certain quantity under this MPA.

## **ARTICLE 7—ORDERS**

The terms and conditions of this MPA shall govern all orders issued by Customer. Any additional or different terms included with an order are void and of no legal effect even if Esri processes the order without taking exception to such additional or different terms.

**7.2 Purchase Order Requirements.** The following information shall be included in each purchase order:

- a. Name or identification of Customer, place of delivery, and the end-user name and contact information
- b. Purchase order number
- c. Quantity, description, and unit price
- d. Reference the corresponding Esri quote, proposal or signed task order
- e. On the face of the purchase order, the following printed statement: "Subject to Master Purchase Agreement No. 00333439.0" and State of South Carolina contract number 4400035450

**7.3 Additional Quotes.** Customer may request a quote for any new or unlisted Esri Offerings and issue a purchase order under this MPA.

**7.4 Authorized Entity.** An Authorized Entity may order or acquire Esri Offerings subject to the terms and conditions of this MPA. An Authorized Entity will be required to incorporate by reference the terms of this MPA into any purchase order or other related ordering document. Esri shall not fill any purchase orders that do not adequately provide the information identified in Section 7.2.

## **ARTICLE 8—PRICING**

**8.1 Pricing.** Esri will provide Esri Offerings specified in the incorporated MPA Price List, which are exclusive of shipping, installation, and applicable taxes. Esri may update the MPA Price List by email notice to the office of state procurement no more than once each calendar quarter, except for the following conditions which may be updated by email notice to the office of state procurement at any time: (i) if Esri adds a new Esri Offering, (ii) if Esri removes a retired Esri Offering, or (iii) if Esri changes its commercial pricing of an individual Esri Offering. Prices for individual items may be updated by email at any time if they fall below, or are even with Esri's proposed government pricing. If the office of state procurement does not agree with changes as the result of (i) or (iii), Esri will remove the Esri Offering from the MPA Price List.

**8.2 Professional Services.** Professional Services are available on a time and materials or firm fixed price basis. A Time and Materials Rate Schedule of labor rates is included below. The labor rates are subject to annual

escalation in January of each year. The scope of work and any additional terms are subject to mutual agreement in the Task Order.

The additional terms and conditions for the Enterprise Agreement will be between the Authorized Entity and Esri. The Enterprise Agreement option is included in the MPA Price List.

## **ARTICLE 12—STATE ADMINISTRATIVE SERVICES FEE - COLLECTION AND REPORTING (MODIFIED)**

12.1 (a) Procurement Services (PS) establishes and maintains master State contracts for the benefit of all South Carolina state and local public entities. These contracts allow all public entities both to maximize the State's purchasing power by aggregating their requirements and to benefit from increased efficiencies in the acquisition process. Procurement Services' cost for this central purchasing activity is offset by an administrative fee which

each contractor includes in its contract pricing (though not separately itemized or invoiced) and is paid to the vendor by each participating public entity. The contractor collects the fee as a fiduciary for the State and remits the same as calculated in accordance with Article 12.2 below titled "ADMINISTRATIVE SERVICES FEE - CALCULATION." The price stated in the contractor's bid or proposal must include all amounts necessary for contractor to meet this obligation.

(b) As used in this clause, the term "reporting period" means each full calendar quarter (Jan. - Mar., Apr. - Jun., Jul. - Sep., and Oct. - Dec.) and any remaining periods less than a full calendar quarter during the term of this contract. For each reporting period, contractor shall report to PS its total sales pursuant to this contract for the period and shall remit the fee to the PS Reports Manager. Payment for each reporting period is due no later than the last day of the month immediately following the end of the reporting period (Example: payment for the reporting period ending March 31 is due April 30). If the amount due for a reporting period is less than \$10.00, no payment is required. The procurement officer will provide contractor an information packet, including a detailed explanation of reporting and payment requirements, within fifteen (15) calendar days following contract award. You may contact the Reports Manager at:

Procurement Services Division  
Attn: Reports Manager  
1201 Main Street, Suite 600  
Columbia, SC 29201  
Phone: (803) 737-1254 (ask to speak to the Reports Manager)

***Failure to receive the information packet does not relieve contractor from its obligations hereunder.***

(c) Contractor shall submit a usage report for each reporting period, even if no payment is due for the reporting period. The usage report shall include any information requested by PS to verify the amount due. At a minimum, each usage report shall reflect the following information for the applicable reporting period: contractor's name, contract number, contract description, reporting period/quarter, total dollar value of sales (excluding sales taxes and showing any adjustments for credits or refunds), total number of units (if practicable), and the number, date, and amount of contractor's check to PS. Unless otherwise specified by the reports manager, the usage report shall be submitted electronically according to instructions in the information packet. If the reports manager requires the contractor to provide a more detailed usage report, the reports manager will work directly with the contractor to determine the appropriate content and format of the report.

(d) Contractor and the State agree on a two-step process to validate administrative services fee(s) paid by contractor to PS pursuant to this Article 12:

(1) contractor shall maintain complete and accurate records, documents, books and papers of all sales made under this contract for Esri Offerings and Services. If the State or contractor believes that there has been an underpayment or overpayment of the administrative services fee(s) paid by contractor to PS pursuant to this Article, the parties shall enter into discussions to verify the disputed amounts by reviewing discrepancies and sharing applicable records, documentation, books, and papers. If such review validates an overpayment or underpayment condition, then payments/outstanding amounts will be adjusted (paid or refunded) accordingly; and

(2) After the conclusion of such discussions and payment adjustments, if made during the term of this contract and for a period of three years thereafter, PS, or its authorized representatives (subject to suitable nondisclosure obligations) shall be afforded access at reasonable mutually agreed upon times to review contractor's applicable records, documents, books and papers (including, without limitation, Ordering Document(s) including quotations; invoices; Task Orders and purchase orders as well as applicable correspondence relating to them); in order to audit all transactions involving Esri Offerings and Services provided pursuant to this contract. Such audit excludes proprietary information, proprietary processes, profit, overhead, general and administrative costs of contractor.

If the audit indicates that the administrative services fee(s) paid by contractor to PS are less than the actual fees due from contractor pursuant to this **State Administrative Services Fee** Article, then contractor shall promptly

remit all deficient amounts for the underpayment to PS.

(e) In the event that any audit determines that any administrative services fee(s) paid by contractor to PS pursuant to this **State Administrative Services Fee Article** are more than the actual fees payable by contractor pursuant to this Article, the State shall promptly refund to contractor all excess amounts for the overpayment.

In all cases, prior to initiating or requesting an audit, the State shall first request that contractor verify or validate prior payments or disputed amounts against the contract ordering documents pursuant to step number (d)1, above.

(f) If the contractor fails to timely submit accurate usage reports, the State may, without prejudice to any other remedy available to the State, take any one or more of the following actions in the order stated:

- (1) In this step 1, the State shall inform the contractor in writing that a specific usage report is outstanding and provide the contractor with thirty (30) calendar days from the date of contractor's receipt of the written request to submit the requested usage report to the State. This written request shall specify the exact usage report(s) that are outstanding and include the name and contact information of the State representative that Esri can contact regarding the request;
- (2) if step 1 has been completed, and contractor has not submitted the requested usage report(s), the State may request a meeting with representatives from contractor's management to discuss the issue and mutually agree a resolution;
- (3) if steps (1) and (2) have been completed as stated, and contractor has not submitted the requested usage report(s) in accordance with the resolution mutually agreed between the parties in step (2), then the State may direct the contractor to not accept any further orders under the contract until PS determines that the cause for such direction has been eliminated;
- (4) if steps (1), and (2) and (3) have been completed and contractor has still not submitted the requested usage report(s), then the State may terminate this contract.

(g) For purposes of this clause, PS is intended as a third-party beneficiary of this contract.

## **12.2 ADMINISTRATIVE SERVICES FEE - CALCULATION - ITMO (MODIFIED)**

For each reporting period, Contractor shall pay to PS a fee equal to one and one quarter (1.25%) of the total dollar amount (excluding sales taxes and adjusted for credits or refunds) of purchases made by any public procurement unit from Contractor pursuant to this contract.

# **ARTICLE 13—State of SC Incorporated Terms and Conditions (General Clauses)**

## **13.1 CHOICE-OF-LAW (MODIFIED)**

The Agreement, any dispute, claim, or controversy relating to the Agreement, and all the rights and obligations of the parties shall, in all respects, be interpreted, construed, enforced and governed by and under the laws of the State of South Carolina, except its choice of law rules. As used in this paragraph, the term "Agreement" means any transaction or agreement arising out of, relating to, or contemplated by this MPA.

## **13.2 WAIVER (JAN 2006)**

The State does not waive any prior or subsequent breach of the terms of the Contract by making payments on the Contract, by failing to terminate the Contract for lack of performance, or by failing to strictly or promptly insist upon any term of the Contract. Only the Procurement Officer has actual authority to waive any of the State's rights under this Contract. Any waiver must be in writing. [07-7A095-1]

### **13.3 COMPLIANCE WITH LAWS (JAN 2006)**

During the term of the contract, contractor shall comply with all applicable provisions of laws, codes, ordinances, rules, regulations, and tariffs. [07-7B035-1]

### **13.4 TAXES (JAN 2006)**

Any tax the contractor may be required to collect or pay upon the sale, use or delivery of the products shall be paid by the State, and such sums shall be due and payable to the contractor upon acceptance. Any personal property taxes levied after delivery shall be paid by the State. It shall be solely the State's obligation, after payment to contractor, to challenge the applicability of any tax by negotiation with, or action against, the taxing authority. Contractor agrees to refund any tax collected, which is subsequently determined not to be proper and for which a refund has been paid to contractor by the taxing authority. In the event that the contractor fails to pay, or delays in paying, to any taxing authorities, sums paid by the State to contractor, contractor shall be liable to the State for any loss (such as the assessment of additional interest) caused by virtue of this failure or delay. Taxes based on Contractor's net income or assets shall be the sole responsibility of the contractor. [07-7A080-1]

### **13.5 PAYMENT & INTEREST (FEB 2021)**

(a) The State shall pay the Contractor, after the submission of proper invoices or vouchers, the prices stipulated in this contract for supplies delivered and accepted or services rendered and accepted, less any deductions provided in this contract. Unless otherwise specified herein, including the purchase order, payment shall not be made on partial deliveries accepted by the Government. (b) Unless otherwise provided herein, including the purchase order, payment will be made by electronic funds transfer (EFT). See clause titled "EFT Information." (c) Notwithstanding any other provision, payment shall be made in accordance with S.C. Code Section 11-35-45, or Chapter 6 of Title 29 (real property improvements) when applicable, which provides the Contractor's exclusive means of recovering any type of interest from the Owner. Contractor waives imposition of an interest penalty unless the invoice submitted specifies that the late penalty is applicable. Except as set forth in this paragraph, the State shall not be liable for the payment of interest on any debt or claim arising out of or related to this contract for any reason. (d) Amounts due to the State shall bear interest at the rate of interest established by the South Carolina Comptroller General pursuant to Section 11-35-45 ("an amount not to exceed fifteen percent each year"), as amended, unless otherwise required by Section 29-6-30. (e) Any other basis for interest, including but not limited to general (pre- and post-judgment) or specific interest statutes, including S.C. Code Ann. Section 34-31-20, are expressly waived by both parties. If a court, despite this agreement and waiver, requires that interest be paid on any debt by either party other than as provided by items (c) and (d) above, the parties further agree that the applicable interest rate for any given calendar year shall be the lowest prime rate as listed in the first edition of the Wall Street Journal published for each year, applied as simple interest without compounding. (f) The State shall have all of its common law, equitable and statutory rights of set-off. [07-7A055-4]

### **13.6 FALSE CLAIMS (JAN 2006)**

According to the S.C. Code of Laws Section 16-13-240, "a person who by false pretense or representation obtains the signature of a person to a written instrument or obtains from another person any chattel, money, valuable security, or other property, real or personal, with intent to cheat and defraud a person of that property is guilty" of a crime. [07-7A035-1]

### **13.7 FIXED PRICING REQUIRED (JAN 2006)**

Any pricing provided by contractor shall include all costs for performing the work associated with that price. Except as otherwise provided in this solicitation, contractor's price shall be fixed for the duration of this contract, including option terms. This clause does not prohibit contractor from offering lower pricing after award. [07-7A040-1]

### **13.8 EFT INFORMATION (APR 2024)**

The Contractor must furnish to the State Treasurer's Office information necessary for making a payment by electronic funds transfer (EFT). Additional information is available at the STO's website at <https://treasurer.sc.gov> (.) The Contractor is responsible for the currency, accuracy and completeness of the EFT information. Updating EFT information may not be used to accomplish an assignment of the right to payment, does not alter the terms and conditions of this contract, and is not a substitute for a properly executed contractual document. [07-7A027-2]

### **13.9 OPEN TRADE (JUN 2015)**

During the contract term, including any renewals or extensions, Contractor will not engage in the boycott of a person or an entity based in or doing business with a jurisdiction with whom South Carolina can enjoy open trade, as defined in SC Code Section 11-35-5300. [07- 7A053-1]

### **13.10 TERMINATION DUE TO UNAVAILABILITY OF FUNDS (JAN 2006)**

Payment and performance obligations for succeeding fiscal periods shall be subject to the availability and appropriation of funds therefor. When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal period, the contract shall be canceled. In the event of a cancellation pursuant to this paragraph, contractor will be reimbursed the resulting unamortized, reasonably incurred, nonrecurring costs. Contractor will not be reimbursed any costs amortized beyond the initial contract term. [07-7A085-1]

### **13.11 THIRD PARTY BENEFICIARY (JAN 2006)**

This Contract is made solely and specifically among and for the benefit of the parties hereto, and their respective successors and assigns, and no other person will have any rights, interest, or claims hereunder or be entitled to any benefits under or on account of this Contract as a third party beneficiary or otherwise. [07-7A090-1]

### **13.12 DISPUTES (MAY 2024)**

**Choice-of-Forum.** All disputes, claims, or controversies relating to the Agreement shall be resolved exclusively by the appropriate Chief Procurement Officer in accordance with Title 11, Chapter 35, Article 17 of the South Carolina Code of Laws, or in the absence of jurisdiction, only in the Court of Common Pleas for, or a federal court located in, Richland County, State of South Carolina. Contractor agrees that any act by the government regarding the Agreement is not a waiver of either the government's sovereign immunity or the government's immunity under the Eleventh Amendment of the United States Constitution. As used in this paragraph, the term "Agreement" means any transaction or agreement arising out of this MPA. The government does not consent to the jurisdiction of any judicial or administrative tribunals in any other state or to any forum of alternative dispute resolution. (2) **Service of Process.** Contractor consents that any papers, notices, or process necessary or proper for the initiation or continuation of any disputes, claims, or controversies relating to the Agreement; for any court action in connection therewith; or for the entry of judgment on any award made, may be served on Contractor by certified mail (return receipt requested) addressed to Contractor at the address provided in Article 9.2 Legal Notice of the MPA or by personal service or by any other manner that is permitted by law, in or outside South Carolina. Notice by certified mail is deemed duly given upon deposit in the United States mail. [07-7A025-2]

### **13.13 PUBLICITY (JAN 2006)**

Contractor shall not publish any comments or quotes by State employees, or include the State in either news releases or a published list of customers, without the prior written approval of the Procurement Officer. [07-7A060-1]

### **13.14 PURCHASE ORDERS (MODIFIED)**

Purchase Orders are required in accordance with Article 7-orders above. An order placed pursuant to the purchasing card provision qualifies as a purchase order.

### **13.15 SURVIVAL OF OBLIGATIONS (JAN 2006)**

The Parties' rights and obligations which, by their nature, would continue beyond the termination, cancellation, rejection, or expiration of this contract shall survive such termination, cancellation, rejection, or expiration, including, but not limited to, the rights and obligations created by the following clauses: Indemnification, and any provisions regarding warranty or audit. [07- 7A075-1]

### **13.16 INDEMNIFICATION-INTELLECTUAL PROPERTY (MODIFIED)**

See Article B.5 Indemnifications of Master Agreement Product and Services No. 00333681.0 below.

### **13.17 LIMITATION OF LIABILITY**

**A. Disclaimer of Liability.** (a) Neither Customer, Esri, nor any Esri authorized distributor or third-party licensor will be liable for any indirect, special, incidental, or consequential damages; lost profits; lost sales; loss of goodwill; or costs of procurement of substitute goods or services (b) Neither Customer, Esri nor any Esri authorized distributor or third-party licensor will be liable for any direct damages exceeding two (2) times the applicable license fees, or current subscription fees, or Services fees paid or owed to Esri by the specific impacted Customer during the twelve (12) month period prior to the date upon which the related claim arose.

**B.** The limitations and exclusions of liability in the preceding paragraph do not apply to Customer's infringement, misuse, or misappropriation of Esri's or Esri's licensors' intellectual property rights, either party's indemnification obligations, gross negligence, willful misconduct, or violations of the Export Compliance clause of this Agreement.

**C. Applicability of Disclaimers and Limitations.** Esri or its authorized distributor has set its fees and entered into this Agreement in reliance on the disclaimers and limitations in this Agreement; the fees reflect an allocation of risk that is an essential basis of the bargain between the parties. **These limitations will apply whether or not a party is aware of the possibility of any damage and notwithstanding any failure of essential purpose of any exclusive, limited remedy.**

**D.** The foregoing disclaimers, limitations, and exclusions may be invalid in some jurisdictions and apply only to the extent permitted by applicable law or regulation in Customer's jurisdiction. Customer may have additional rights that may not be waived or disclaimed. Esri does not seek to limit Customer's warranty or remedies to any extent not permitted by law.

This Enterprise Agreement ("EA") is by and between the organization identified in the signature line below with its principal place of business at the address provided below ("Customer") and **Environmental Systems Research Institute, Inc. ("Esri")**.

This EA sets forth the terms and conditions for Customer's use of EA Products, Rolled-In Software, Unit-Priced Items, provision of Esri User Conference registrations, Training, and Services as specified herein and in the Proposal Letter. The rights granted in this EA apply only to the EA Products listed in the Proposal Letter.

This EA is comprised of this signature page, the Proposal Letter and the Enterprise Agreement Terms and Conditions document and incorporates by reference the Master Agreement. Should there be any conflict between the terms and conditions of the documents that comprise this EA, the order of precedence for the documents shall be as follows: (i) the Enterprise Agreement Terms and Conditions and this Signature Page, (ii) the Master Agreement, and (iii) the Proposal Letter. For the avoidance of doubt, Article 5—Term, Termination, and Expiration of this EA supersedes any termination language in the Master Agreement for all items in the Proposal Letter.

If the Proposal Letter includes Services other than Maintenance, the applicable Services terms and conditions take precedence over the provisions of this EA with respect to those Services. Customer's centralized point of contact identified in the Proposal Letter will approve work under the Advantage Program or Customer will notify Esri of an alternative contact.

This EA constitutes the sole and entire agreement of the parties as to the subject matter set forth herein and supersedes any previous agreements, proposals, presentations, understandings, and arrangements between the parties relating to the licensing of the EA Products, Training, and Services. Any modifications or amendments to this EA must be in writing and signed by an authorized representative of Customer and Esri.

The parties acknowledge that they have read and understand this EA and agree to be bound by the terms and conditions contained herein.

Access to or use of EA Products by consultants or contractors not exclusively for Customer's benefit is prohibited. **2.5 Uses Not Permitted.** Customer shall not transfer, redistribute, or assign EA Products to any third party without the prior written permission of Esri. Customer shall not use the EA Products outside the United States or its territories or possessions without the prior written permission of Esri and agreement on additional fees, if any. Any such export will be subject to U.S. Export Control Regulation requirements of the Master Agreement.

## 3.0—EA MAINTENANCE

**3.1 EA Maintenance** is included in the EA Fee. Rolled-In Software and EA Products will receive EA Maintenance, provided that standard maintenance is available for each item. EA Maintenance includes benefits specified in the most current applicable Esri Maintenance and Support Program document (found at <https://www.esri.com/en-us/legal/terms/maintenance>) as modified by this Section 3.1. If Unit-Priced Items are included in the Proposal Letter, annual maintenance fees for Unit-Priced Items will be in addition to the Fee and ordered separately from this EA.

**a. Tier 1 Support**

1. The Tier 1 Help Desk will provide Tier 1 Support to all Customer's authorized users and Authorized Entities.
2. The Tier 1 Help Desk will be fully trained in the EA Products.
3. At a minimum, Tier 1 Support will include those activities that assist the user in resolving how-to and operational questions as well as questions on installation and troubleshooting procedures.

4. The Tier 1 Help Desk will be the initial point of contact for all questions and reporting of a Case. The Tier 1 Help Desk will obtain a full description of each reported Case and the system configuration from the user. This may include obtaining any customizations, code samples, data, databases, or other information involved in the Case.
5. If the Tier 1 Help Desk cannot resolve the Case, an authorized Tier 1 Help Desk individual may contact Tier 2 Support. The Tier 1 Help Desk will provide support in such a way as to minimize repeat calls and make solutions to problems available to Customer's organization.
6. Customer may assign named Tier 1 Help Desk individuals up to the quantity listed in the Proposal Letter. Tier 1 Help Desk individuals are the only individuals authorized to contact Tier 2 Support. Customer may change the Tier 1 Help Desk individuals through the My Esri portal.

**b. Tier 2 Support**

1. Tier 2 Support analysts will log the calls received from the Tier 1 Help Desk.
2. Tier 2 Support analysts will review all information collected by and received from the Tier 1 Help Desk including preliminary documented troubleshooting provided by the Tier 1 Help Desk when Tier 2 Support is required.

Customer and Authorized Entities may continue to use EA Products that have been Deployed, but updates for EA Products and Rolled-In Software in the mature and retired phases may not be available. Maintenance will be subject to the individual Product Life Cycle Support Status and Product Life Cycle Support Policy, which can be found at <https://support.esri.com/en/other-resources/product-life-cycle> by selecting the product type and clicking the Product Life Cycle link for specific product plans.

## **4.0—ORDERING, ADMINISTRATIVE PROCEDURES, DELIVERY, AND DEPLOYMENT**

### **4.1 Orders, Delivery, and Deployment**

- a. Upon the Effective Date, Esri will invoice Customer and provide Authorization Codes to activate the nondestructive copy protection program that enables Customer to download, operate, or allow access to the EA Products. Delivery of updates/new versions of EA Products will be made in the same manner. Customer will establish a single point of contact who will be responsible for Deployment. Esri may invoice the EA Fee up to thirty (30) calendar days before (i) the payment dates identified in the Proposal Letter; or (ii) if no payment dates are identified, the annual anniversary date for each year of the EA.
- b. Undisputed invoices will be due and payable within thirty (30) calendar days from the date of invoice. Esri reserves the right to suspend Customer's access to and use of EA Products if Customer fails to pay any undisputed amount owed on or before its due date. Esri may charge Customer interest at the lesser of one percent (1.0%) per month or the maximum monthly rate permitted by applicable law on any overdue fees plus all expenses of collection for any overdue balance that remains unpaid ten (10) days after Esri has notified Customer of the past-due balance.
- c. Esri's federal ID number is 95-2775-732.
- d. If requested, Esri will ship backup media to the ship-to address identified on the Ordering Document, FOB destination, with shipping charges prepaid by Customer. Customer acknowledges that should sales or use

taxes become due as a result of any shipments of tangible media, Esri has a right to invoice and Customer will pay any such applicable sales or use tax associated with the receipt of tangible media.

**4.2 Order Requirements.** Esri does not require Customer to issue a purchase order. Customer may submit a purchase order in accordance with its own internal process, provided that if Customer issues a purchase order, Customer will submit its initial purchase order on the Effective Date. Customer will submit subsequent purchase orders to Esri at least thirty (30) calendar days before (i) the payment dates identified in the Proposal Letter; or (ii) if no payment dates are identified, the annual anniversary date for each year of the EA. Any purchase orders that Customer issues will reference, incorporate, and be subject to the terms and conditions of the EA. Additional or conflicting terms in any purchase orders, invoices, or other documents exchanged during the ordering process, other than the terms of this EA, Product or Services descriptions, quantities, pricing, and delivery instructions, are void and of no effect.

- a. All orders pertaining to this EA will be processed through Customer's centralized point of contact on the Proposal Letter. Customer can send order processing questions to Customer Service at Esri 380 New York Street Redlands, CA 92373-8100; send emails to [service@esri.com](mailto:service@esri.com); or call Esri at 888-377-4575.
- b. The following information will be included in each Ordering Document:
  1. Customer name; Esri customer number, if known; and bill-to and ship-to addresses
  2. Order number
  3. Applicable annual payment due; for Unit-Priced Items, the name of the product and quantity
  4. The following printed statement "Governed by and subject to the signed Enterprise Agreement number [insert agreement number]."

## 5.0—TERM, TERMINATION, AND EXPIRATION

**5.1 Term.** This EA and all licenses hereunder will commence on the Effective Date and continue for the duration identified in the Proposal Letter. Except as otherwise authorized in this Section 5, this EA is for the committed duration identified in the Proposal Letter. If the Proposal Letter includes optional years, Customer may exercise each optional year by providing written notice to Esri Customer Service sixty (60) calendar days prior to the end of the then-current year. If more than one optional year is identified in the Proposal Letter, then each optional year must be exercised consecutively, or the EA will expire at the end of the then-current year. An optional year may be a duration other than twelve (12) months and will be identified in the Proposal Letter. If the Proposal Letter includes Training Pass days, unused Training Pass days do not rollover to subsequent years and expire at the end of each annual term.

**5.2 Use upon Expiration.** Upon full payment of the EA Fee and expiration of this EA, the Master Agreement will survive, and Customer and Authorized Entities may continue to use the perpetual licenses of Deployed EA Products included in the final Deployment Report and Rolled-In Software in accordance with the terms and conditions set forth in the Master Agreement. Customer shall notify Esri of the quantity and type of licenses for which Customer and Authorized Entities, as may be applicable, elect to purchase standard maintenance. If maintenance is not ordered for Rolled-In Software or EA Products upon expiration of the EA, it lapses. If, at a later date, Customer or Authorized Entities decide to reinstate maintenance, Customer or Authorized Entity, as may be applicable, must pay maintenance reinstatement fees from the date the EA expired (i.e., back maintenance fees). Customer and Authorized Entities may only purchase standard maintenance or reinstate maintenance on licenses that were included in the final Deployment Report. Customer shall not Deploy additional copies of the EA Products beyond the quantities in use upon termination or as of the date of expiration. All term licenses and subscription licenses of Deployed EA Products terminate upon expiration of the EA. Esri User Conference registrations, Advantage Program Learning and Services credits, and Training Pass days terminate upon expiration.

**5.3 Term Enterprise Agreement.** If the EA Products are all term licenses and subscription licenses, Customer and Authorized Entities are only authorized to use EA Products during the term identified in the Proposal Letter and all EA Products, all Maintenance, and Esri User Conference registrations terminate upon termination of the EA.

**5.4 Termination of a Particular Authorized Entity.** If Authorized Entities are included in the Proposal Letter, Esri may elect to terminate the license rights of a particular Authorized Entity for material breach without terminating this EA with Customer or other Authorized Entities. The breaching Authorized Entity will be given a period of ten (10) business days from date of written notice to cure any material breach. Upon termination of Authorized Entity, all Deployed EA Products provided to Authorized Entity will also terminate. Customer shall reasonably cooperate with Esri in termination of an Authorized Entity in material breach of this EA, including enforcement of the EA with respect to such Authorized Entity. There will be no reduction in the EA Fee if an Authorized Entity's rights are terminated. The terminated Authorized Entity will have no further access to any benefits, entitlements, rights, or other items included in or otherwise related to this EA.

**5.5 Termination for a Material Breach.** Either party may terminate this EA for a material breach by the other party. The breaching party will have thirty (30) days from the date of written notice to cure any material breach. Upon termination of this EA by Esri for a material breach by Customer, all licenses Deployed will also terminate, and the full amount of unpaid EA Fee will be due and payable by Customer within thirty (30) days from the date of termination.

**5.6 Termination for Lack of Funds.** For an EA with government or government-owned entities, either party may terminate this EA before any subsequent year if Customer is unable to secure funding through the legislative or governing body's approval process.

**5.7 Termination for Convenience.** Neither Customer nor Esri may terminate the EA for convenience.

**5.8 Use Upon Termination.** For termination under Sections 5.3 – 5.6, Customer and Authorized Entities shall uninstall, remove, and destroy all EA Products; training materials; and any whole or partial copies, modifications, or merged portions in any form. Upon request, Customer shall deliver evidence of such destruction to Esri (e.g., certification letter). Except in the event that the Master Agreement has been terminated for Customer's uncured material breach, Customer and Authorized Entities may continue to use Rolled-In Software, provided Customer and Authorized Entities comply with the terms and conditions of the Master Agreement. Further, Esri agrees that Customer and Authorized Entities are not required to pay a maintenance reinstatement fee for lapsed maintenance for Rolled-In Software if Customer and Authorized Entities, as may be applicable, order maintenance at time of EA termination. Other items that may be included in this EA—such as Advantage Program, Training Pass days, access codes, and Esri User Conference registrations—will also terminate if this EA is terminated.

## 6.0—CONFIDENTIALITY

**6.1 Esri Confidential Information.** The EA Fee and list of EA Products are confidential and proprietary information of Esri. Except as provided herein, Customer shall not publish or disclose the EA Fee or list of EA Products to any third party without Esri's prior written consent. Customer may disclose portions or all of this EA to an Authorized Entity provided such is under an obligation of confidentiality to not publish or disclose the EA Fee or list of EA Products to any third party. Disclosure may be made only to those Customer or Authorized Entity employees, contractors, or consultants of Customer (e.g., outside counsel or accountants) who have a need to know to perform their duties or work on behalf of Customer and have an obligation of confidentiality. To the extent that any such disclosures may be required by law, Customer shall inform Esri of the requested disclosure, with a reasonable description of the requested disclosure and identification of the requester, in sufficient time for Esri to assert any objection Esri may have to such disclosure with the appropriate administrative or judicial body.

**6.2 Disclosure of Fees for Unit-Priced Items.** If Unit-Priced Items are included in the Proposal Letter, Esri gives permission to Customer to maintain Unit-Priced Item prices, fees, and discounts on Customer's intranet, subject to password protection accessible to Customers, to support potential procurements. Customer shall use no less than the same degree of care to protect this information as it uses to protect its own confidential information or third-party information of similar nature. Customer must include the following notice on information concerning Unit-Priced Item pricing posted on or accessible through Customer intranet that is accessible by Customers and their employees, or on any other web pages that make reference to the EA Fee or Unit-Priced Items, including order forms:

PRICING INFORMATION, INCLUDING APPLICABLE DISCOUNT RATES, CONTAINED HEREIN IS  
CONSIDERED CONFIDENTIAL AND PROPRIETARY. EXCEPT TO SUPPORT AUTHORIZED LICENSE  
ACQUISITIONS, RECIPIENT WILL NOT COPY, DISCLOSE TO ANY THIRD PARTY, OR USE ANY  
PRICING INFORMATION FOR ANY OTHER PURPOSE OR PROGRAM.

## 7.0—ADMINISTRATIVE REQUIREMENTS

**7.1 Esri Partner Original Equipment Manufacturer (OEM) Bundled or Embedded Items/Services.** Under Esri's OEM or Solution OEM programs, OEM partners are authorized to embed or bundle portions of Esri products and services with their application or service. OEM partners' business model, licensing terms and conditions, and pricing are independent of this EA. Customer and Authorized Entities will not seek any discount from the OEM partner or Esri based on the availability of EA Products under this EA. Customer and Authorized Entities will not decouple Esri products or services from the OEM partners' application or service. Esri products or services embedded in third-party products or services are not EA Products.

**7.2 Annual Report of Deployments.** At each anniversary date and ninety (90) calendar days prior to the expiration of this EA, Customer will provide Esri with a written report, in a form acceptable to Esri, detailing all Deployments (each a "Deployment Report"). Upon request, Customer will provide records sufficient for Esri to verify the accuracy of the Deployment Report.

**7.3 Esri User Conference Registration.** Esri shall provide Esri User Conference registrations to Customer annually during the term of this EA in the quantities set forth in the Proposal Letter. Customer is responsible for distributing the registrations internally and to Authorized Entities. Third parties may not represent or attend on behalf of Customer at any Esri User Conference.

**7.4 Limited Quantity or Unit-Priced Items.** Esri reserves the right to exclude new Products from uncapped Deployment if added to this EA. New Products may contain or be developed with (i) newly acquired technology obtained through a significant investment or (ii) third-party intellectual property that requires a unit-based royalty fee or prohibits Deployment under a site or enterprise license. Such items can be made available to Customer or Authorized Entities on a limited-quantity basis or as unit-priced items.

**7.5 Relationship of the Parties.** This EA will not be construed or interpreted as an exclusive dealings agreement. This EA does not constitute a partnership, joint venture, or agency between Esri and Customer. Neither Esri nor Customer will hold itself out as such, nor shall Esri or Customer be bound or become liable because of any representation, action, or omission of the other.

**7.6 GIS Standard.** Either party may publicize the existence of this EA. Customer shall officially name Esri as its GIS standard and act as a reference for other Esri customers and potential customers as long as the EA remains in effect.

**7.7 Force Majeure.** If the performance of any obligation under this EA is prevented, restricted, or interfered with by reason of fire, flood, earthquake, explosion, or other casualty or accident; strikes or labor disputes; inability to procure or obtain delivery of parts, supplies, or power; war; threat of or actual terrorist act, cyber-attack, or other violence; any law, order, proclamation, regulation, ordinance, demand, or requirement of any government agency; or any act or condition whatsoever beyond the reasonable control of the affected party, the party so affected, upon giving prompt notice to the other party, will be provided a temporary extension for a period of time as may be reasonably necessary to allow for such delay, prevention, interference, or restriction.

## 8.0—MERGERS, ACQUISITIONS, OR DIVESTITURES

If Customer is a commercial entity, Customer will notify Esri in writing in the event of (i) a consolidation, merger, or reorganization of Customer or an Authorized Entity with or into another corporation or entity; (ii) Customer's or Authorized Entity's acquisition, in whole or in part, of another entity or its assets; or (iii) a transfer or sale of all or part of Customer's or an Authorized Entity's organization (subsections i, ii, and iii, separately or collectively referred to as "Ownership Change"). There will be no decrease in the EA Fee as a result of any Ownership Change.

- 8.1** Customer may not transfer or Deploy EA Products to any third party in connection with a divestiture, merger, or sale of Customer or its assets, in whole or in part. If an Ownership Change results in a divestiture or a transfer or sale of a portion of Customer's or an Authorized Entity's organization or its assets, that portion of Customer's or the Authorized Entity's organization will return the EA Products to Customer or the applicable Authorized Entity or uninstall, remove, and destroy all copies of the EA Products.
- 8.2** This EA may not be assigned to a successor entity as a result of an Ownership Change unless approved by Esri in writing in advance. If the assignment to the new entity is not approved, Customer and Authorized Entities will require any successor entity to uninstall, remove, and destroy the EA Products. This Agreement will terminate upon such Ownership Change.
- 8.3** If Customer or an Authorized Entity merges with or acquires part of another entity or its assets, Esri reserves the right to increase the EA Fee in proportion to the anticipated increase in Deployments or terminate this EA and the parties will negotiate a new agreement. If Customer or an Authorized Entity acquires another entity and Customer would like to Deploy EA Products to that entity, Esri and Customer must first sign an amendment to this EA adding the new entity as an Authorized Entity and agree to an increase in the EA Fee.

## **9.0—GENERAL PROVISIONS**

**9.1 Governing Law.** This EA shall be governed by and construed in accordance with the laws of the State of South Carolina, except its choice of law rules.

**9.2 Legal Notices.** Please send all legal notices to Esri 380 New York Street Redlands, California 92373-8100  
Attention: Director of Contracts and Legal or email [legalnotices@esri.com](mailto:legalnotices@esri.com).

**9.3 Survival of Certain Clauses.** The provisions of Sections 2.2 and 5.2 and Article 6 will survive the expiration or termination of this EA.
