22. Administrative Fee: (a) Procurement Services (PS) establishes and maintains master State contracts for the benefit of all South Carolina state and local public entities. These contracts allow all public entities both to maximize the State's purchasing power by aggregating their requirements and to benefit from increased efficiencies in the acquisition process. Procurement Services' cost for this central purchasing activity is offset by an administrative fee which each contractor includes in its contract pricing (though not separately itemized or invoiced) and is paid to the vendor by each participating public entity. The contractor collects the fee as a fiduciary for the State and remits the same as calculated in accordance with the clause titled "ADMINISTRATIVE SERVICES FEE - CALCULATION." The price stated in the contractor's bid or proposal must include all amounts necessary for contractor to meet this obligation.

(b) As used in this clause, the term "reporting period" means each full calendar quarter (Jan. - Mar., Apr. - Jun., Jul. - Sep., and Oct. - Dec.) and any remaining periods less than a full calendar quarter during the term of this contract. For each reporting period, contractor shall report to PS its total sales pursuant to this contract for the period and shall remit the fee to the PS Reports Manager. Payment for each reporting period is due no later than the last day of the month immediately following the end of the reporting period (Example: payment for the reporting period ending March 31 is due April 30). If the amount due for a reporting period is less than \$10.00, no payment is required. The procurement officer will provide contractor an information packet, including a detailed explanation of reporting and payment requirements, within fifteen (15) calendar days following contract award. You may contact the Reports Manager at:

Procurement Services Division
Attn: Reports Manager
1201 Main Street, Suite 600
Columbia, SC 29201
Phone: (803) 737-1254 (ask to speak to the Reports Manager)

Failure to receive the information packet does not relieve contractor from its obligations hereunder.

(c) Contractor shall submit a usage report for each reporting period, even if no payment is due for the reporting period. The usage report shall include any information requested by PS to verify the amount due. At a minimum, each usage report shall reflect the following information for the applicable reporting period: contractor's name, contract number, contract description, reporting period/quarter, total dollar value of sales (excluding sales taxes and showing any adjustments for credits or refunds), total number of units (if practicable), and the number, date, and amount of contractor's check to PS. Unless otherwise specified by the reports manager, the usage report shall be submitted electronically according to instructions in the information packet. If the reports manager requires the contractor to provide a more detailed usage report, the reports manager will work directly with the contractor to determine the appropriate content and format of the report.

(d) During the term of this contract and for a period of three years thereafter, PS or its authorized representatives shall be afforded access at reasonable times to contractor's records

(including, without limitation, bank statements, deposits, checks; invoices; correspondence; ledgers; receipts; transmittals) in order to audit all transactions involving goods sold, work performed, or fees due pursuant to this contract. If the audit indicates that contractor has materially underpaid PS, then contractor shall remit the balance found to be due (including any amounts assessed pursuant to subparagraph (e)) and reimburse PS for all costs of the audit.

(e) Payments of the fee which are due and unpaid by the contractor (including amounts disclosed by audit) shall accrue interest as provided in the Payment and Interest clause for amounts due to the State. In addition to the fee and interest, contractor agrees to pay to PS its reasonable expenses of collection, including costs and attorneys' fees (and fees for inside counsel), whether or not PS commences legal action.

(f) If the contractor fails to (i) timely submit accurate usage reports; (ii) remit to PS the fee when due; or (iii) promptly and fully cooperate with an audit request, the State may, without prejudice to any other remedy available to the State, take any one or more of the following actions:

(1) direct the contractor to not accept any further orders under the contract until PS determines that the cause for such direction has been eliminated;

(2) terminate this contract;

(3) direct the contractor to not accept any further orders under any other master State contract established by PS until PS determines that the cause for such direction has been eliminated.

(g) For purposes of this clause, PS is intended as a third-party beneficiary of this contract. Reports MUST reference the SC Participating number 4400037239 to assure accurate accounting of purchases under this contract and reported administrative fees. Each remittance will include the period covered and the contract number. (S.C. Code Ann. § 11-35-4860(5))

23. Administrative Fee – Calculation: For each reporting period, Contractor shall pay to Procurement Services a fee equal to one and one quarter (1.25%) percent of the total dollar amount of purchases made by any public procurement unit from Contractor pursuant to this contract (excluding sales taxes and adjusted for credits or refunds). (S.C. Code Ann. § 11-35-4860(5))

24. Taxes: Any tax the contractor may be required to collect or pay upon the sale, use or delivery of the products shall be paid by the State, and such sums shall be due and payable to the contractor upon acceptance. Any personal property taxes levied after delivery shall be paid by the State. It shall be solely the State's obligation, after payment to contractor, to challenge the applicability of any tax by negotiation with, or action against, the taxing authority. Contractor agrees to refund any tax collected, which is subsequently determined not to be proper and for which a refund has been paid to contractor by the taxing authority. In the event that the contractor fails to pay, or delays in paying, to any taxing authorities,

sums paid by the State to contractor, contractor shall be liable to the State for any loss (such as the assessment of additional interest) caused by virtue of this failure or delay. Taxes based on Contractor's net income or assets shall be the sole responsibility of the contractor. (S.C. Code Ann. Title 12, Chapter 36)

25. Subcontractors: All contractors, dealers, and resellers authorized in the State of South Carolina as shown on the dedicated Contractor (cooperative contract) website, are approved to provide sales and service support to participants in the NASPO ValuePoint Master Agreement. The contractor's dealer participation will be in accordance with the terms and conditions set forth in the aforementioned Master Agreement.
26. Orders: Any order placed by a Participating Entity or Purchasing Entity for a product and/or service available from this Master Agreement shall be deemed to be a sale under (and governed by the prices and other terms and conditions) of the Master Agreement unless the parties to the order agree in writing that another contract or agreement applies to such order.
27. Term of Contract: The initial term of this contract will begin on the final execution date of this Participating Addendum. The initial term will end at the end of the then current term of the Master Agreement at the time the Participating Addendum is executed. At the end of the initial term, and at the end of each renewal term, this contract shall renew for a period of one (1) year. Regardless, this contract expires no later than the expiration date of the NASPO ValuePoint Master Agreement. (S.C. Code Ann. § 11-35-2030)

28. Insurance:

The cost of insurance is to be included in the rental rates offered. Charging separately for insurance or not providing same will likely be considered a material breach. The amount carried by the contractor is to be sufficient to cover its damages. The State will not pay additional damages regardless of which vehicle operator is at fault. The required insurance limits are identical to the amounts the state carries for state owned vehicles. The same amounts are required for any vehicles rented by the state or its political subdivisions. Contractor must provide automobile liability insurance as follows.

- Combined Single Limits of \$600,000 minimum,
- Combined Single Limits of \$1,000,000 minimum for vehicle rentals to travel out of state,
- Statutory minimum limits for uninsured coverage (\$25,000/person, \$50,000/accident, bodily injury and \$25,000/per accident property damage or other applicable minimum limits) where such coverage is imposed by operation of law.

Optional coverage

- Comprehensive/Collision Coverage at discretion of Contractor
- Underinsured at discretion of Contractor

Contractor maintains the right to verify employment or other affiliation with Participant that would give them the right to rent as a "Traveler".

30. Reporting: The contractor will provide the South Carolina State Fleet Management with monthly reports summarizing State rental activities. These reports will be due no later than the 10th calendar day of each month and will detail the rental activities of the previous month. Contractor will track and provide the State with availability and delivery waiting statistics. The reporting requirement is for ALL vehicles rented throughout the reporting period and is not limited to the vehicles listed in this document. The State needs this information for analysis in determining future State vehicle rental requirements. The State may add or delete vehicle classes/types based on the amount of use during the contract period. The State requires reports to be in an electronic format. Reports will be E-mailed to: sfminfo@admin.sc.gov.

31. Pickup and Delivery Fees: Contractor's "We'll Pick You Up" service is available to our customers. 33. Agency Limitations: Certain state agencies are not permitted to rent vehicles for greater than 30 continuous days without State Fleet Management (SFM) approval prior to requesting the vehicle. After award, SFM will provide the contractor(s) with a list of these agencies and the procedures the agencies must follow before the contractor may issue a vehicle to those agencies for more than 30 continuous days.
