SOUTH CAROLINA STATE TERM CONTRACT

The State of South Carolina is pleased to announce its participation in the NASPO/Oklahoma Master Agreement, Number OK-SW-300. This Participating Addendum covers Automatic External Defibrillator & Accessories for State Agencies, Political Subdivisions, Higher and Technical Education Institutions and includes various price discounts for specific price groups.

Use of this Participating Addendum is not mandatory. Since the contract is provided as a convenience, the 10% provision found on statewide term contracts does not apply.

Both Cardiac Science and Physio-Control have supplied lists of authorized dealers which contract end-users may make purchases from. When making a purchase from an authorized dealer, contract end users shall reference both the vendor number and state contract number on their purchase orders and make payments to the address associated with the appropriate vendor number listed within this document.

Contract Period: The maximum effective period is 11/19/2018 through 10/04/2022.
